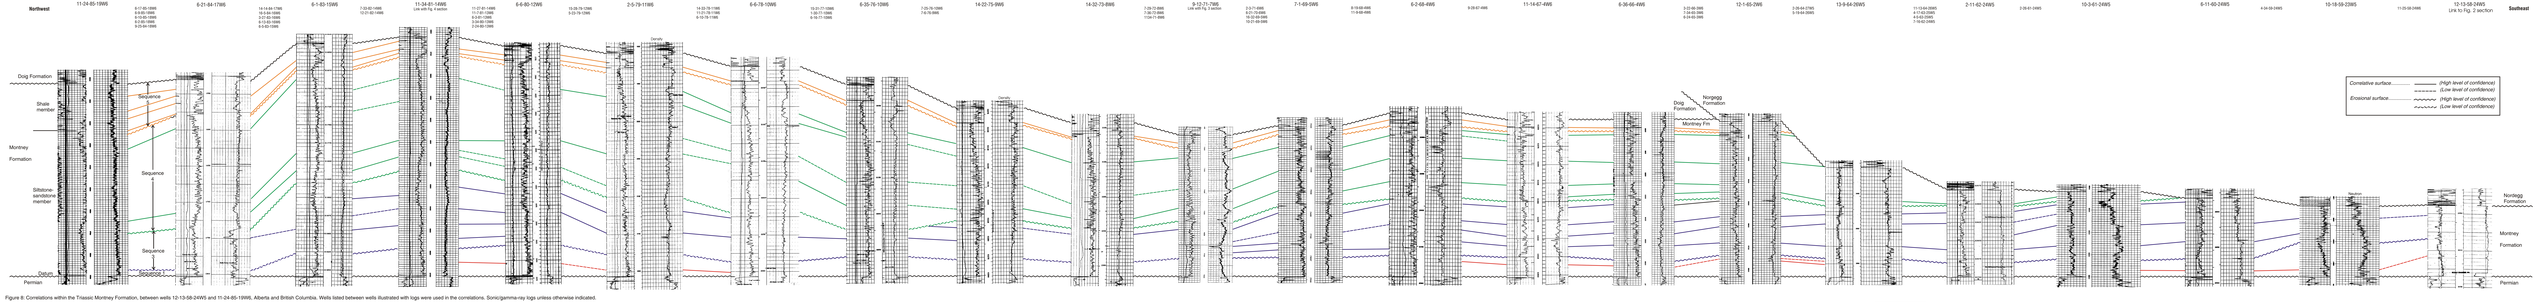

Figure 8: Correlations within the Triassic Montney Formation, between wells 12-13-58-24W5 and 11-24-85-19W6, Alberta and British Columbia. Wells listed between wells illustrated with logs were used in the correlations. Sonic/gamma-ray logs unless otherwise indicated.

NOTE:

Although every effort has been made to ensure accuracy, the information on this map is based on data collected with Geological Survey of Canada standards.
