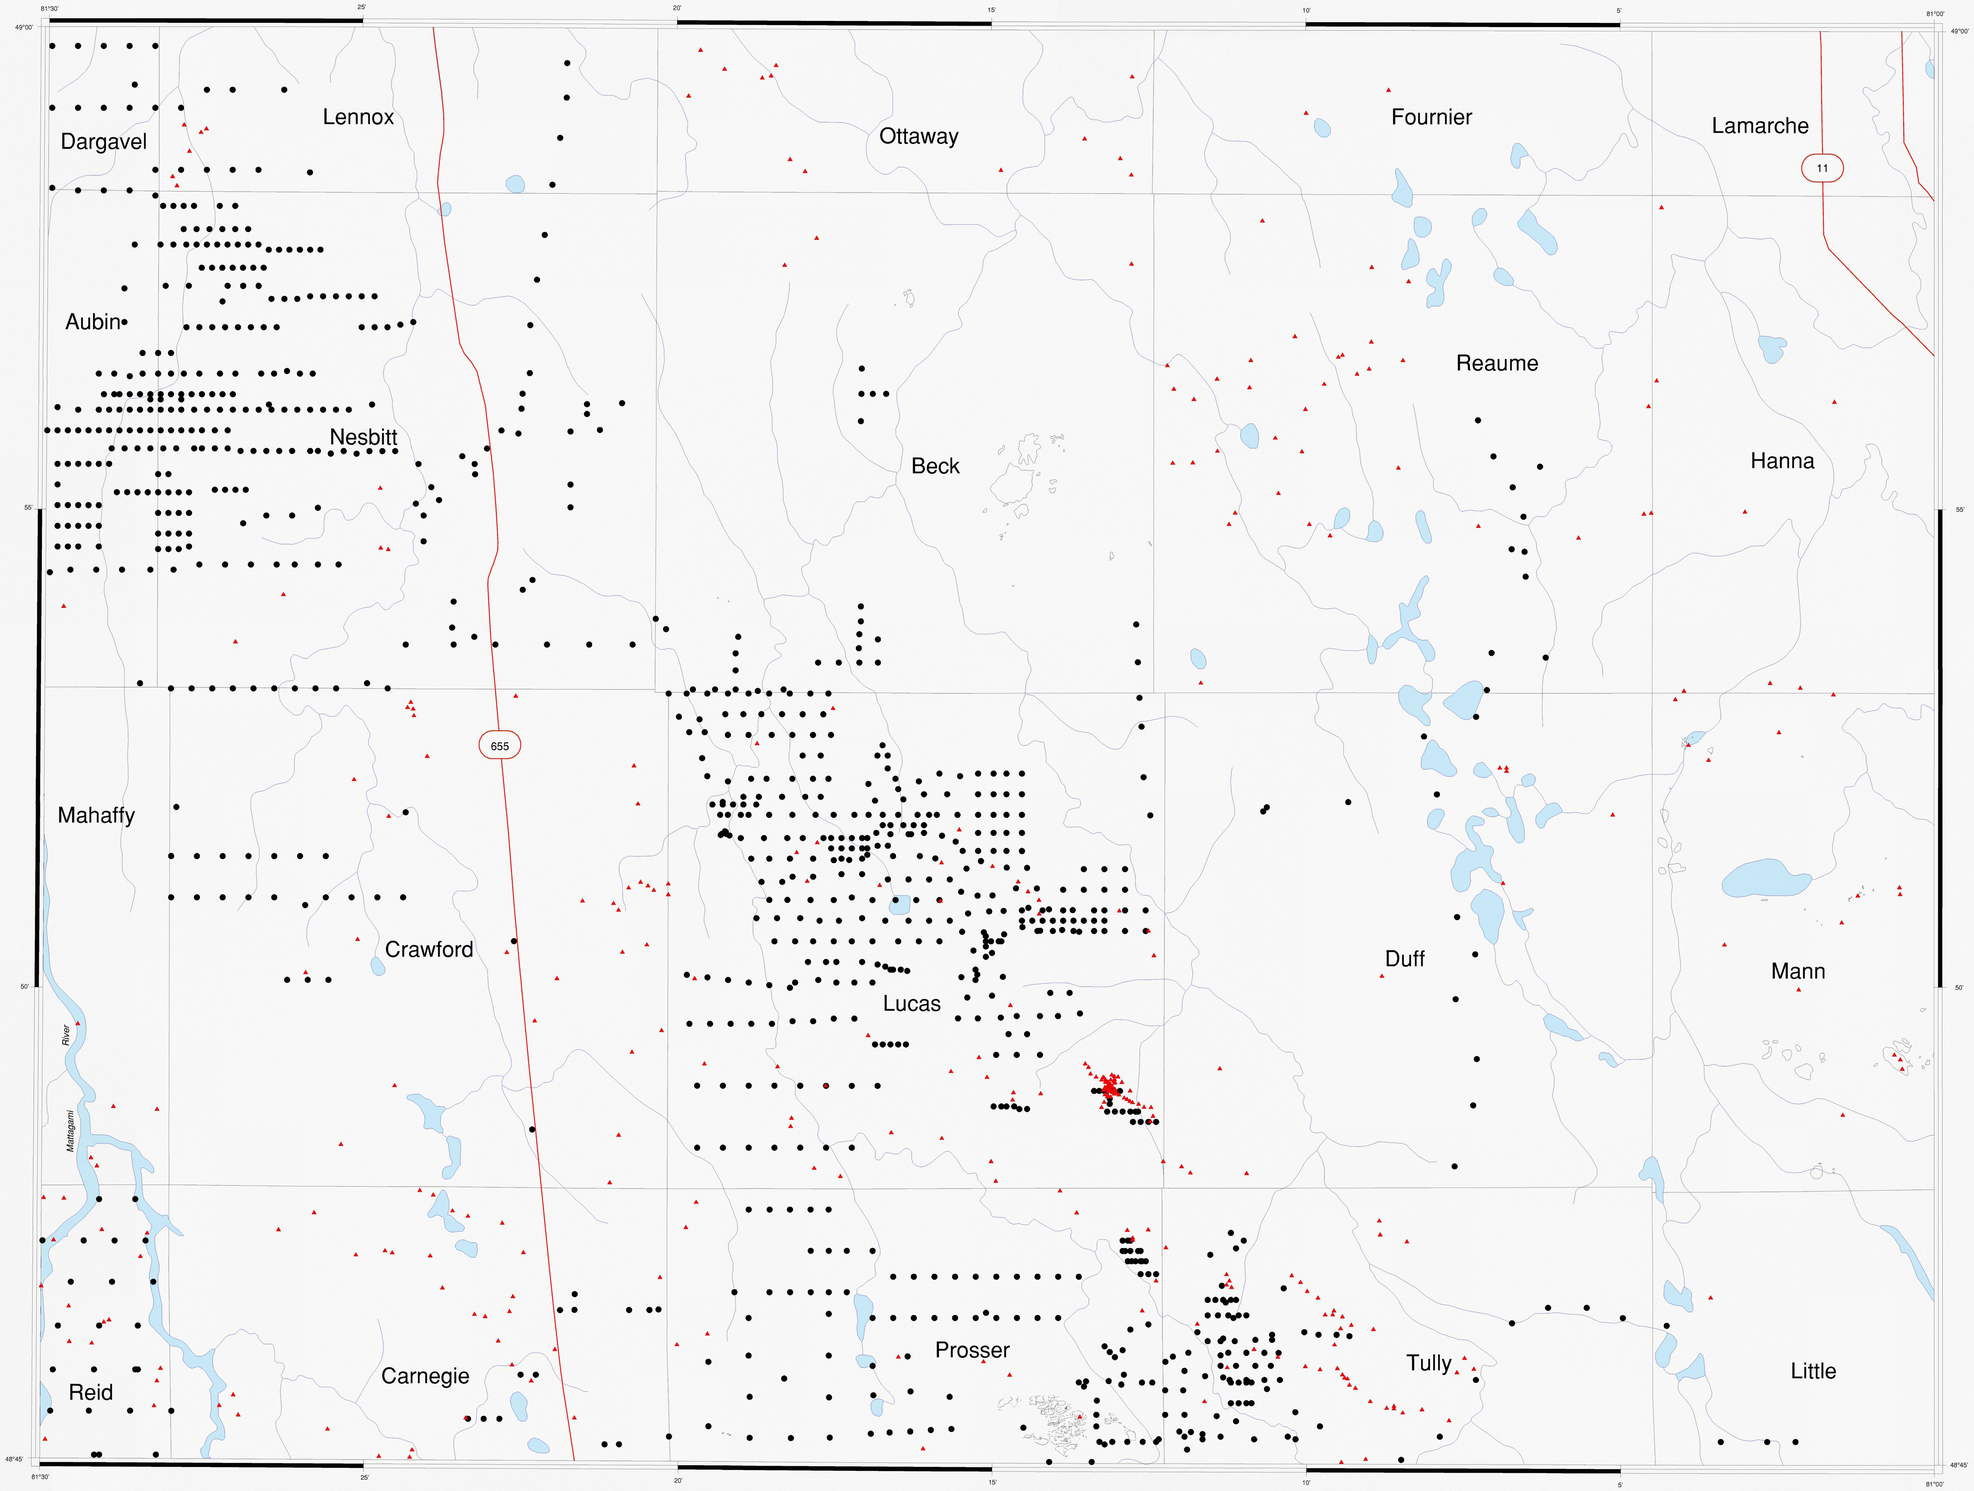
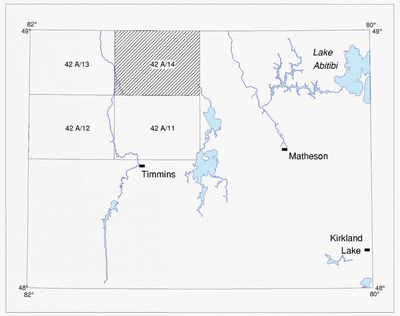
OVERBURDEN DRILL HOLE LOCATIONS
TIMMINS AREA, 42 A/14





Sources of information:

Overburden drill hole information was compiled from private company records and from records on file in the Timmins Resident Geologist's Office by Overburden Drilling Management Ltd, Nepean, Ontario. Information from GSC and OGS publications was compiled by the authors. Diamond drill hole information was compiled from Timmins Drill Core Library files by Geodigital Mapping Systems Inc, Timmins, Ontario. Digital topographic information for NTS sheet 42A was supplied by the Ontario Geological Survey. Digital cartography was provided by Geodigital Mapping Systems Inc.
