

GEOLOGICAL SURVEY

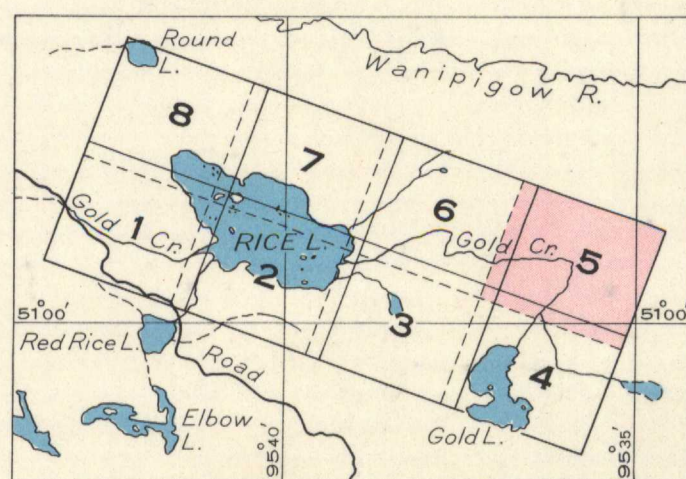

LEGEND

- ARCHEAN
(EARLY PRECAMBRIAN)
- 15 Aplite, pegmatite
 - 14 Quartz-feldspar porphyry, feldspar porphyry, andesite
 - 13 Lamprophyre
 - 12 Quartz diorite
 - 11 "Quartz-eye granite" (porphyritic quartz diorite)
 - 9 Meta-gabbro, quartz diorite
 - RICE LAKE SERIES
 - 3 Porphyritic basalt
 - 2 Rhyolite, trachyte, andesite, breccia
- Recent alluvium and glacial drift
- Quartz veins and shear zones (defined, approximate)

Geological boundary (defined, approximate)
 Bedding (direction of dip known, upper side of bed unknown)

Base-map compiled by the Topographical Survey from information supplied by the Manitoba Department of Mines and Natural Resources.

Geology by C. H. Stockwell, 1936.
