

**Notes**  
 The seaward advance is indicated by a comparison of the soundings made in 1859 and 1919.  
 1859 soundings from British Admiralty Chart No 1922.  
 1919 soundings by Hydrographic Survey, Department of the Naval Service, Canada.  
 Soundings in feet, 1859, shown thus...•156.  
 Fathom lines from 1919 soundings.

Geological Survey, Canada.

Publication No 1858

Diagram showing seaward advance of Fraser River Delta, British Columbia.
