Flight Line .....

Flight altitude: 1000 feet above sea-level.  
No correction has been made for regional variation.  
Airborne Magnetic Survey, flown April 1968  
by Survair Ltd., Ottawa.

Decca navigation (Eglinton Island Decca Chain, 1968) was used to direct the course of the aircraft and to determine its track. Details available from Polar Continental Shelf Project, Department of Energy, Mines and Resources, Ottawa.  
Lambert Conformal Projection—standard parallels 74°02'30" and 77°12'30".
