

This is a detailed topographic map of a region in Maine, USA, specifically the area around Bangor and Vanceboro. The map is oriented with North at the top. It features a grid system with latitude and longitude coordinates. The map shows various towns and settlements, including Bangor, Danforth, Vanceboro, and others. It also depicts numerous water bodies, such as Lake Umbagog, Lake Umbagog, and various rivers and streams. The map includes contour lines indicating elevation, as well as various geographical features like mountains, hills, and valleys. The map is labeled with various place names, including towns, villages, and landmarks. The map is a detailed representation of the terrain and features of the region.

Le levé de spectrométrie aérienne par rayons gamma, VLF et magnétique a été effectué, compilé et défrayé par la Commission géologique du Canada.
