FOR KIRKLAND LAKE DATA SETS

- [ ] Induced polarization anomaly
- [ ] Induced polarization anomaly (low frequency)
- [ ] Induced polarization anomaly (high frequency)
- [ ] Induced polarization anomaly (very low frequency)
- [ ] Induced polarization anomaly (very high frequency)
- [ ] Induced polarization anomaly (low frequency, vertical)
- [ ] Induced polarization anomaly (high frequency, vertical)
- [ ] Induced polarization anomaly (very low frequency, vertical)
- [ ] Induced polarization anomaly (very high frequency, vertical)
- [ ] Induced polarization anomaly (low frequency, horizontal)
- [ ] Induced polarization anomaly (high frequency, horizontal)
- [ ] Induced polarization anomaly (very low frequency, horizontal)
- [ ] Induced polarization anomaly (very high frequency, horizontal)
- [ ] Induced polarization anomaly (low frequency, horizontal, vertical)
- [ ] Induced polarization anomaly (high frequency, horizontal, vertical)
- [ ] Induced polarization anomaly (very low frequency, horizontal, vertical)
- [ ] Induced polarization anomaly (very high frequency, horizontal, vertical)
- [ ] Induced polarization anomaly (low frequency, vertical, horizontal)
- [ ] Induced polarization anomaly (high frequency, vertical, horizontal)
- [ ] Induced polarization anomaly (very low frequency, vertical, horizontal)
- [ ] Induced polarization anomaly (very high frequency, vertical, horizontal)
- [ ] Induced polarization anomaly (low frequency, vertical, horizontal, vertical)
- [ ] Induced polarization anomaly (high frequency, vertical, horizontal, vertical)
- [ ] Induced polarization anomaly (very low frequency, vertical, horizontal, vertical)
- [ ] Induced polarization anomaly (very high frequency, vertical, horizontal, vertical)

29.	Timmins-Abitibi-Ventures	1961	Geological	65	
30.	Timmins-Abitibi-Ventures	1961	Geological	65	

The numbers on the above list stand for the year when the work was done, e.g., 66 for 1966. On the accompanying DATA LOCATION MAP only areas for which work was carried out by the Department are outlined, and this is a company map and more ground than indicated here. The numbers on the DATA LOCATION MAP and any other numbers refer to the company list above.
