

N 62°30'

- 1 Intermediate to basic volcanics
- 2 Felsic volcanics
- 3 Sedimentary rocks
- 4 Aphebian sediments and basic volcanics (Hurwitz Group)
- 5 Syenite
-  Felsic intrusive rocks
-  Basic intrusive rocks
- × Gossan
-  Site of trenching or drilling
-  Direction of glacial flow

Geological base map compiled by Ridler, R.H., 1974
from field work 70, 71, 72 and from
Davidson, 1970 a,b; and Bell, 1971.
