Energy, Mines and Resources Canada
Énergie, Mines et Ressources Canada

GEOLOGICAL SURVEY OF CANADA
COMMISSION GÉOLOGIQUE DU CANADA

ACKNOWLEDGMENTS

Many people have been involved in this mapping project. Some of this work has already been published, and has been incorporated into this map; other results are contained in unpublished theses and reports. Alan Macdonald and Chris White greatly contributed to the mapping, and Karen Connors, Debbie Conrod, Pierre Doucet, Victor French, Heather Flint, R. Terry Swinamer, and Winai Yaowanoiyothin studied various portions of the Cape Breton Highlands as B.Sc. and M.Sc. theses. Inco Ltd. provided access to the results of their detailed mapping, drilling and trenching program in the central Cape Breton Highlands.

REFERENCES

The following references are to published maps that have been incorporated into this map, with only minor modifications, and to publications that describe the geology. They are numbered as on the index map of Cape Breton Island.
