### ACKNOWLEDGMENTS

This work is part of the joint CNOG-GSC (Calgary) Arctic Zinc project. Mapping on Little Cornwallis Island was provided by Peter Gilbert, Shell International Shell Project (NRC) and Technical and Field Support Services; field assistance was provided by H. Chung, C.G. Bonnell, G. Gosselin, and, in St. John's, Ming and James at Rocky Cove in 2001 was provided by Polar Continental Shelf Project (NRC) and Technical and Field Support Services; field assistance was provided by B. Bonnell, M. Landry, and A. Maynes. We are grateful for the input of Toxicologists, particularly that of V. Yehl and R. Sharp. This map has benefited from GIS preparation by C. Gilbert (CNG).

This work is part of the joint CNGO-GSC (Calgary) Arctic Zinc project. Mapping on Little Cormack Island was supported by Polar Continental Shelf Project (NRCAR) and Technical and Field Support Services; field assistance was provided by H. Churg, C. Gilbert, G. Gosselin, and C. Shear. Marine Mapping at Rocky Creek in 2001 was supported by Polar Continental Shelf Project (NRCAR) and Technical and Field Support Services; field assistance was provided by B. Gonet, M. Landry, and A. Maynes. We are grateful for the input of Ted Comino, particularly that of V. Yell and R. Sharp. This map has benefited from GIS preparation by C. Gilbert (CNGO).
