

LEGEND

- Roche moutonnée..... ↗
- Striation:
- Well defined..... ↗
- Poorly defined..... ↗
- Sense unknown..... ↗
- Cross striae (1=oldest)..... ↗
- Information derived from existing map*:
- Trend of nearshore ridges..... ↗
- Esker ridge..... ↗
- Hummocky moraine..... ↗
- Trend of ribbed or minor moraine ridges..... ↗
- Trend of drumlin or fluting..... ↗
- Trend of crag-and-tail..... ↗
- Linear feature related to ice flow..... ↗
- Striae..... ↗
