

Textual content on the right side of the map, including sections for 'LEVÉ GÉOPHYSIQUE AÉROPORTÉ LIKELY, COLOMBIE-BRITANNIQUE', 'Données de spectrométrie gamma', 'Données sur le champ magnétique', and 'References/Références'.

Planimetric symbols and Symbols planimétriques table listing various map features like roads, railways, and flight lines with their corresponding symbols.

MAP SHEET SUMMARY / SOMMAIRE DES FEUILLETS table and a small inset map showing the location of the survey area within the larger regional context.

This airborne geophysical survey and the production of this map were funded by the Geoscience for Mountain Fire Resilience Program of the Earth Sciences Sector.
