Glacier Bay National Monument Boundary Line — — —
Geographic positions based on Southeast Alaska Datum

To supplement the field work of the Commission, use has been made of the topography of the Alaska Boundary Tribunal Maps for which the United States Coast and Geodetic Survey furnished the control and most of the shore line.

Timbered Areas
Deciduous Evergreen

We certify that this map is one of the quadruplicate set of thirteen (13) maps prepared and adopted by the Commissioners designated above under Article II of the Convention between Great Britain and the United States, signed at Washington, January 24, 1903, on which map is shown the region between the shore line and the areas covered by Boundary Line Sheets 7, 8, 9 and 11.

Signed June 9, 1923.

E. Lester Jones
United States Commissioner

J. J. McArthur
His Britannic Majesty's Commissioner
