Geographic positions based on Southeast Alaska Datum

Timbered Areas
Evergreen

We certify that this map is one of the quadruplicate set of (13) maps, prepared and adopted under Article VI of the Convention between Great Britain and the United States, signed at Washington, January 24, 1903, on which map is marked the Boundary Line in Portland Canal as established by the Commissioners designated above, in accordance with the Award of the Alaska Boundary Tribunal, signed at London, October 20, 1903, and the agreement effected by the exchange of notes March 25, 1905.

John A. Ulinski
United States Commissioner

J. Leslie Rannie
His Britannic Majesty's Commissioner

To supplement the field work of the Commission, use has been made of the topography of the Alaska Boundary Tribunal Maps, for which the United States Coast and Geodetic Survey furnished the control and most of the shore line.
