Deciduous
Evergreen

We certify that this map is one of the quadruplicate set of thirteen (13) maps prepared and adapted under Article VI of the Convention between Great Britain and the United States signed at Washington, January 24, 1903, on which we marked the Boundary Line as established by the Commissioners designated above, in accordance with the Award of the Alaska Boundary Tribunal, signed at London, October 20, 1903, and the agreement effected by the exchange of notes March 25, 1905.
Signed June 9, 1922.

E. Lester Jones
United States Commissioner

J. J. McArthur
His Britannic Majesty's Commissioner

To supplement the field work of the Commission, use has been made of the topography of the Alaska Boundary Tribunal. Maps of which the United States Coast and Geodetic Survey furnished the control and most of the shore line.
The section of this map between Lat. 59°00' and Lat. 57°00' Long. 133°00' and Long. 132°30' has been taken from the surveys of the Topographical Division, Geological Survey, Canada.
