Symbols enclosed by circles thus  
represent the Boundary Points selected and agreed upon by the Alaska Boundary Tribunal in 1903.  
Glacier Bay National Monument Boundary Line  
Geographic positions based on Southeast Alaska Datum  
Timbered Areas  
Deciduous Evergreen

We certify that this map is one of the quadruplicate set of thirteen (13) maps prepared and adopted under Article VI of the Convention between Great Britain and the United States, signed at Washington, January 24, 1903, on which we marked the Boundary Line as established by the Commissioners designated above, in accordance with the Award of the Alaska Boundary Tribunal, signed at London, October 20, 1903, and the agreement effected by the exchange of notes, March 25, 1905.  
Signed June 9, 1923.  
E. Lester Jones  
United States Commissioner  
J. J. McArthur  
His Britannic Majesty's Commissioner

To supplement the field work of the Commission, use has been made of the topography of the Alaska Boundary Tribunal, reports which the United States Coast and Geodetic Survey furnished the central and most of the shore line. The section of this map between Lat. 59° 00' and Lat. 60° 00' Long. 136° 20' and Long. 137° 00' has been taken from the maps of the Topographical Division, Geological Survey, Canada.
