THE NATIONAL TOPOGRAPHIC SERIES

This series of maps has been designed to cover the whole of Canada and divides the country into primary quadrangles of 4° Latitude by 2° Longitude. These quadrangles are further subdivided into sixteen quadrangles lettered A to P. Each lettered quadrangle is again subdivided into sixteen quadrangles numbered 1 to 16. Each numbered quadrangle is further subdivided into eight quadrangles lettered a to h.

32 Designates a sheet at 1:1,000,000 scale (approx. 1 inch = 16 miles) covering the whole area of a primary quadrangle.

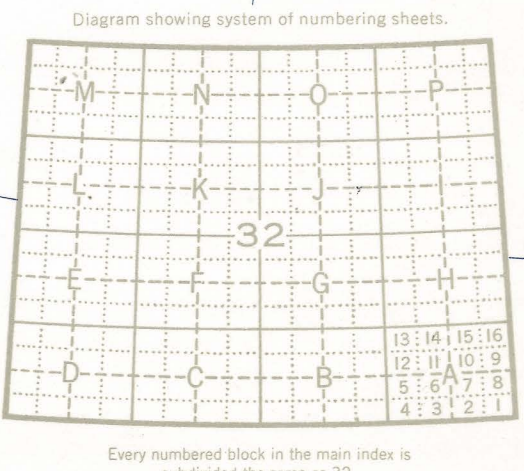

32 N.E. Designates a sheet at either 1:506,850 (1 inch = 8 miles) or 1:250,000 covering one quarter the area of a primary quadrangle.

32 H. Designates a sheet at either 1:253,440 (1 inch = 4 miles) or 1:250,000 covering one sixth the area of a primary quadrangle.

32 A/N.E. Designates a sheet at 1:126,720 (1 inch = 2 miles) covering one quarter the area of a lettered quadrangle.

32 A/e. Designates a sheet at 1:63,360 (1 inch = 1 mile) or 1:50,000 covering one sixth the area of a lettered quadrangle.

32 A/a. Designates a sheet at 1:25,000 covering one hundred twenty-eight parts of the area of a lettered quadrangle. Eight such sheets cover one area of one mile sheet and have the lower case letter "a" through "h" added to the N.T.S. number starting at the south east corner.

Copies of this map may be obtained from The Map Distribution Office, Dept. of Mines and Technical Surveys, Ottawa, Canada.
