

Plate 1: Interpreted Seismic Profiles - Line 1 (2009)
High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

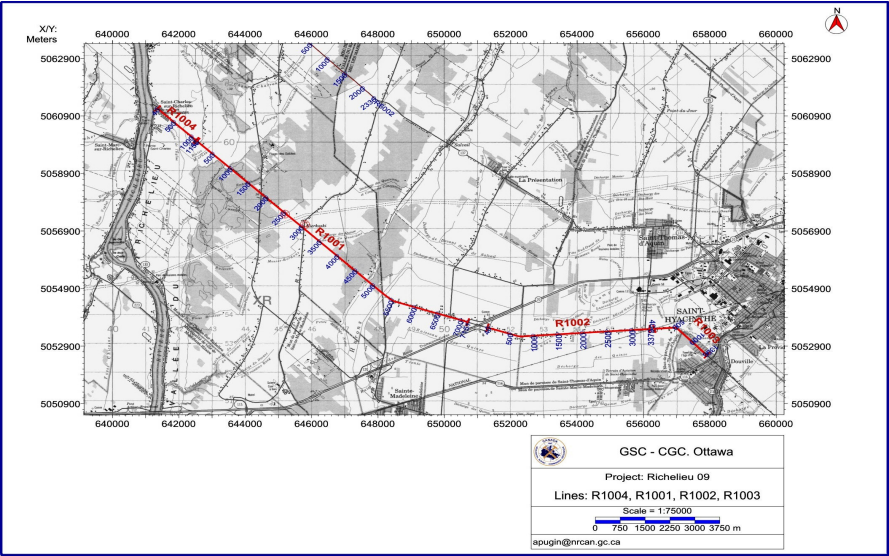

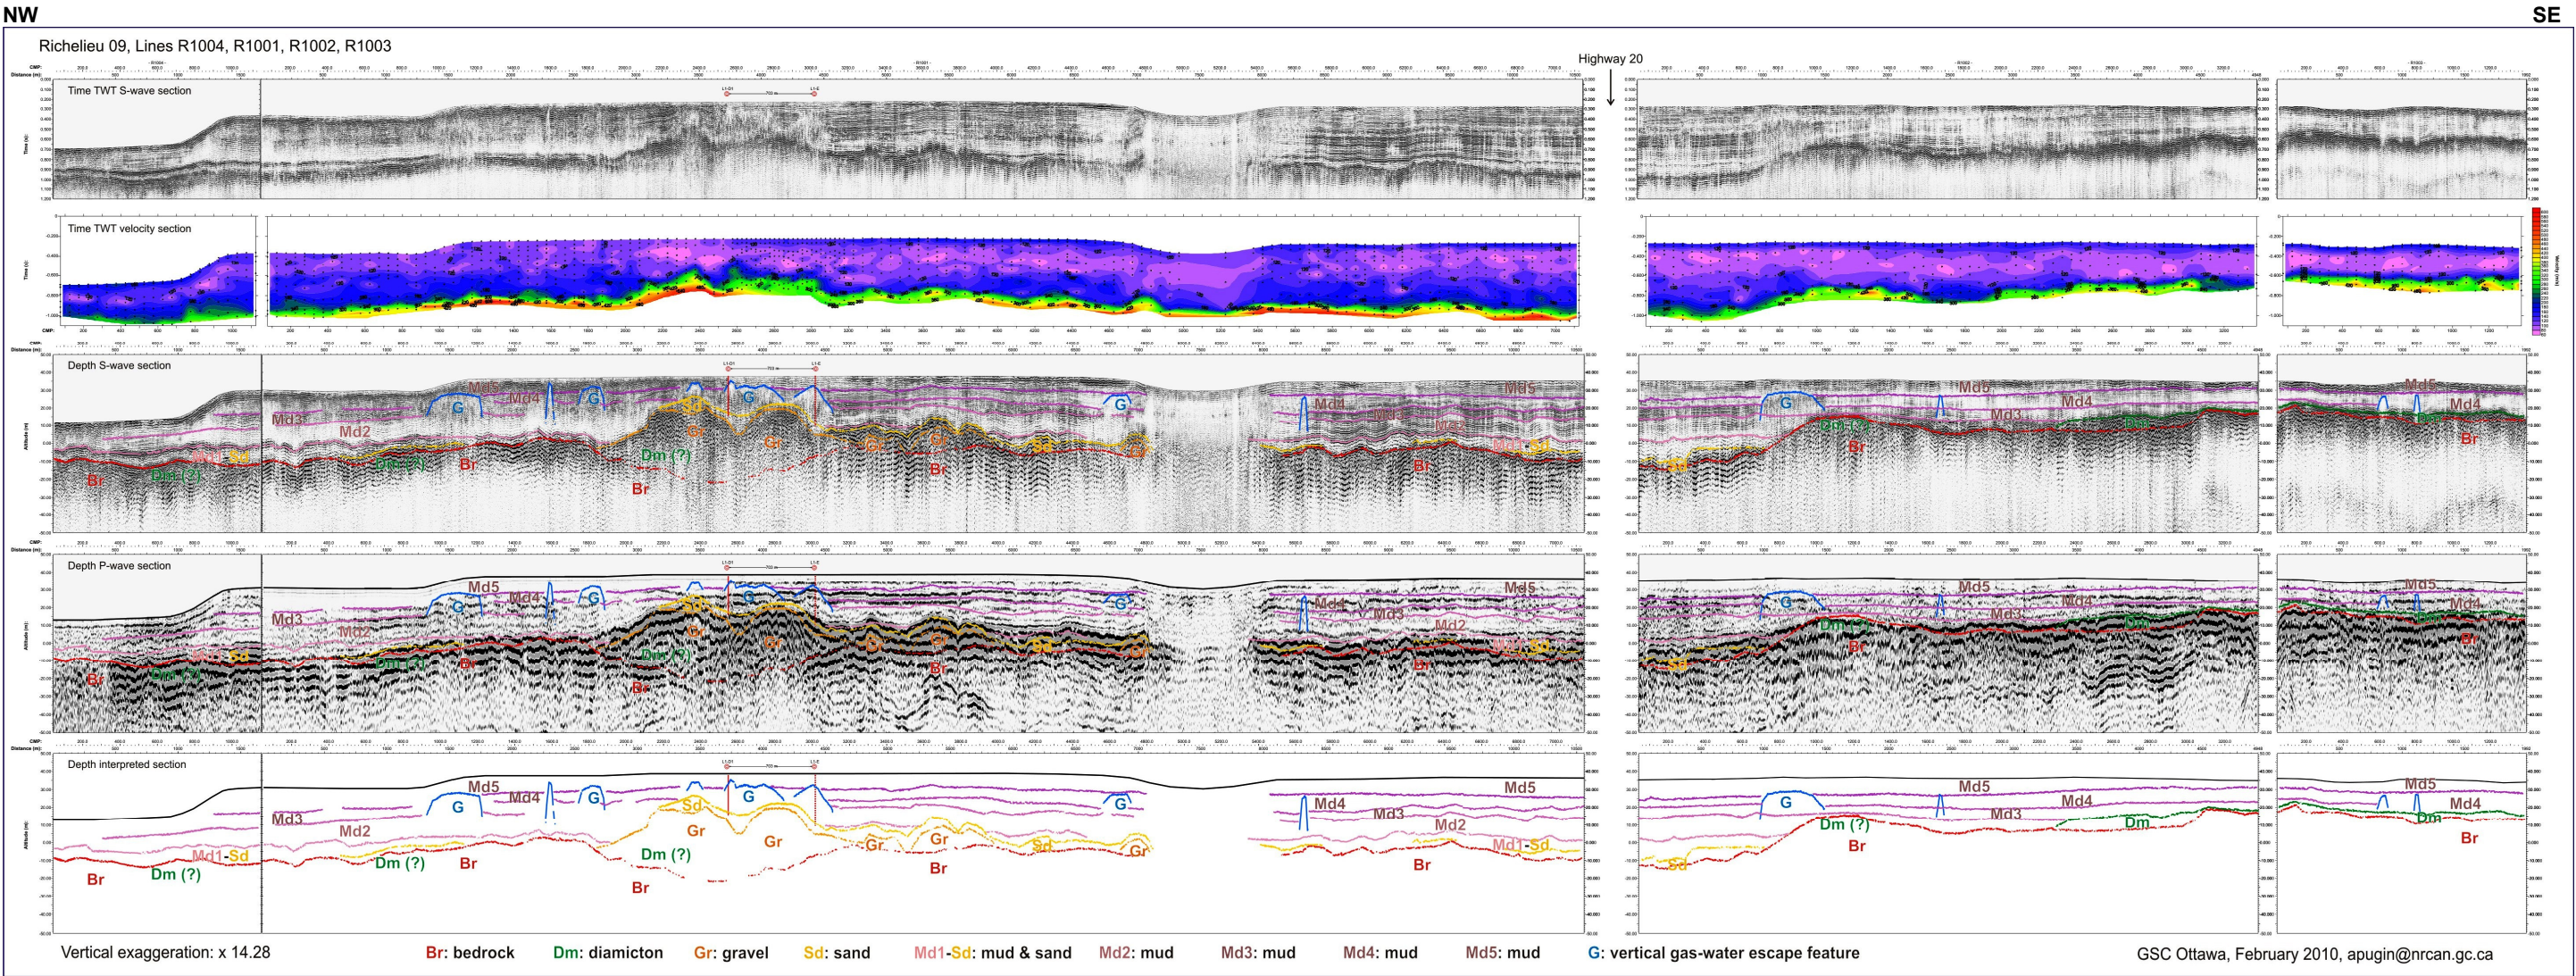

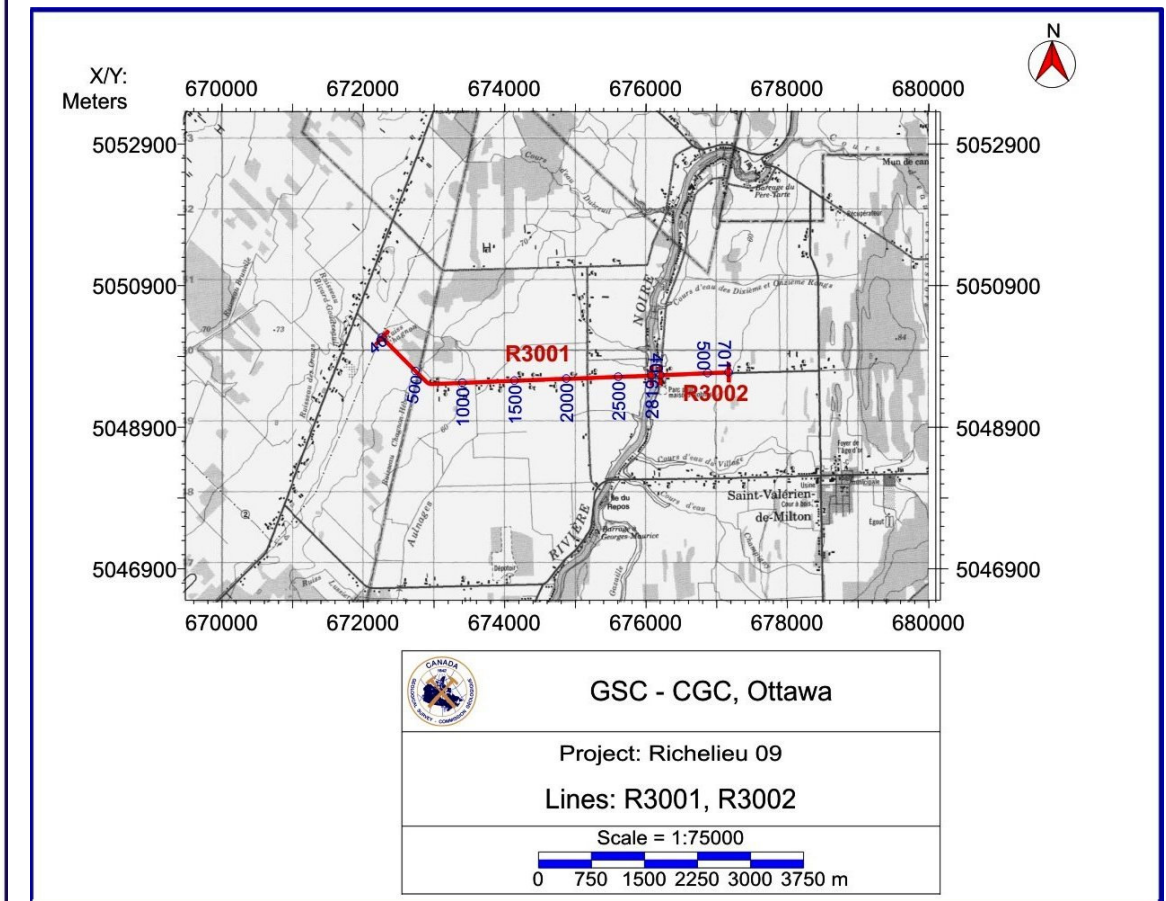

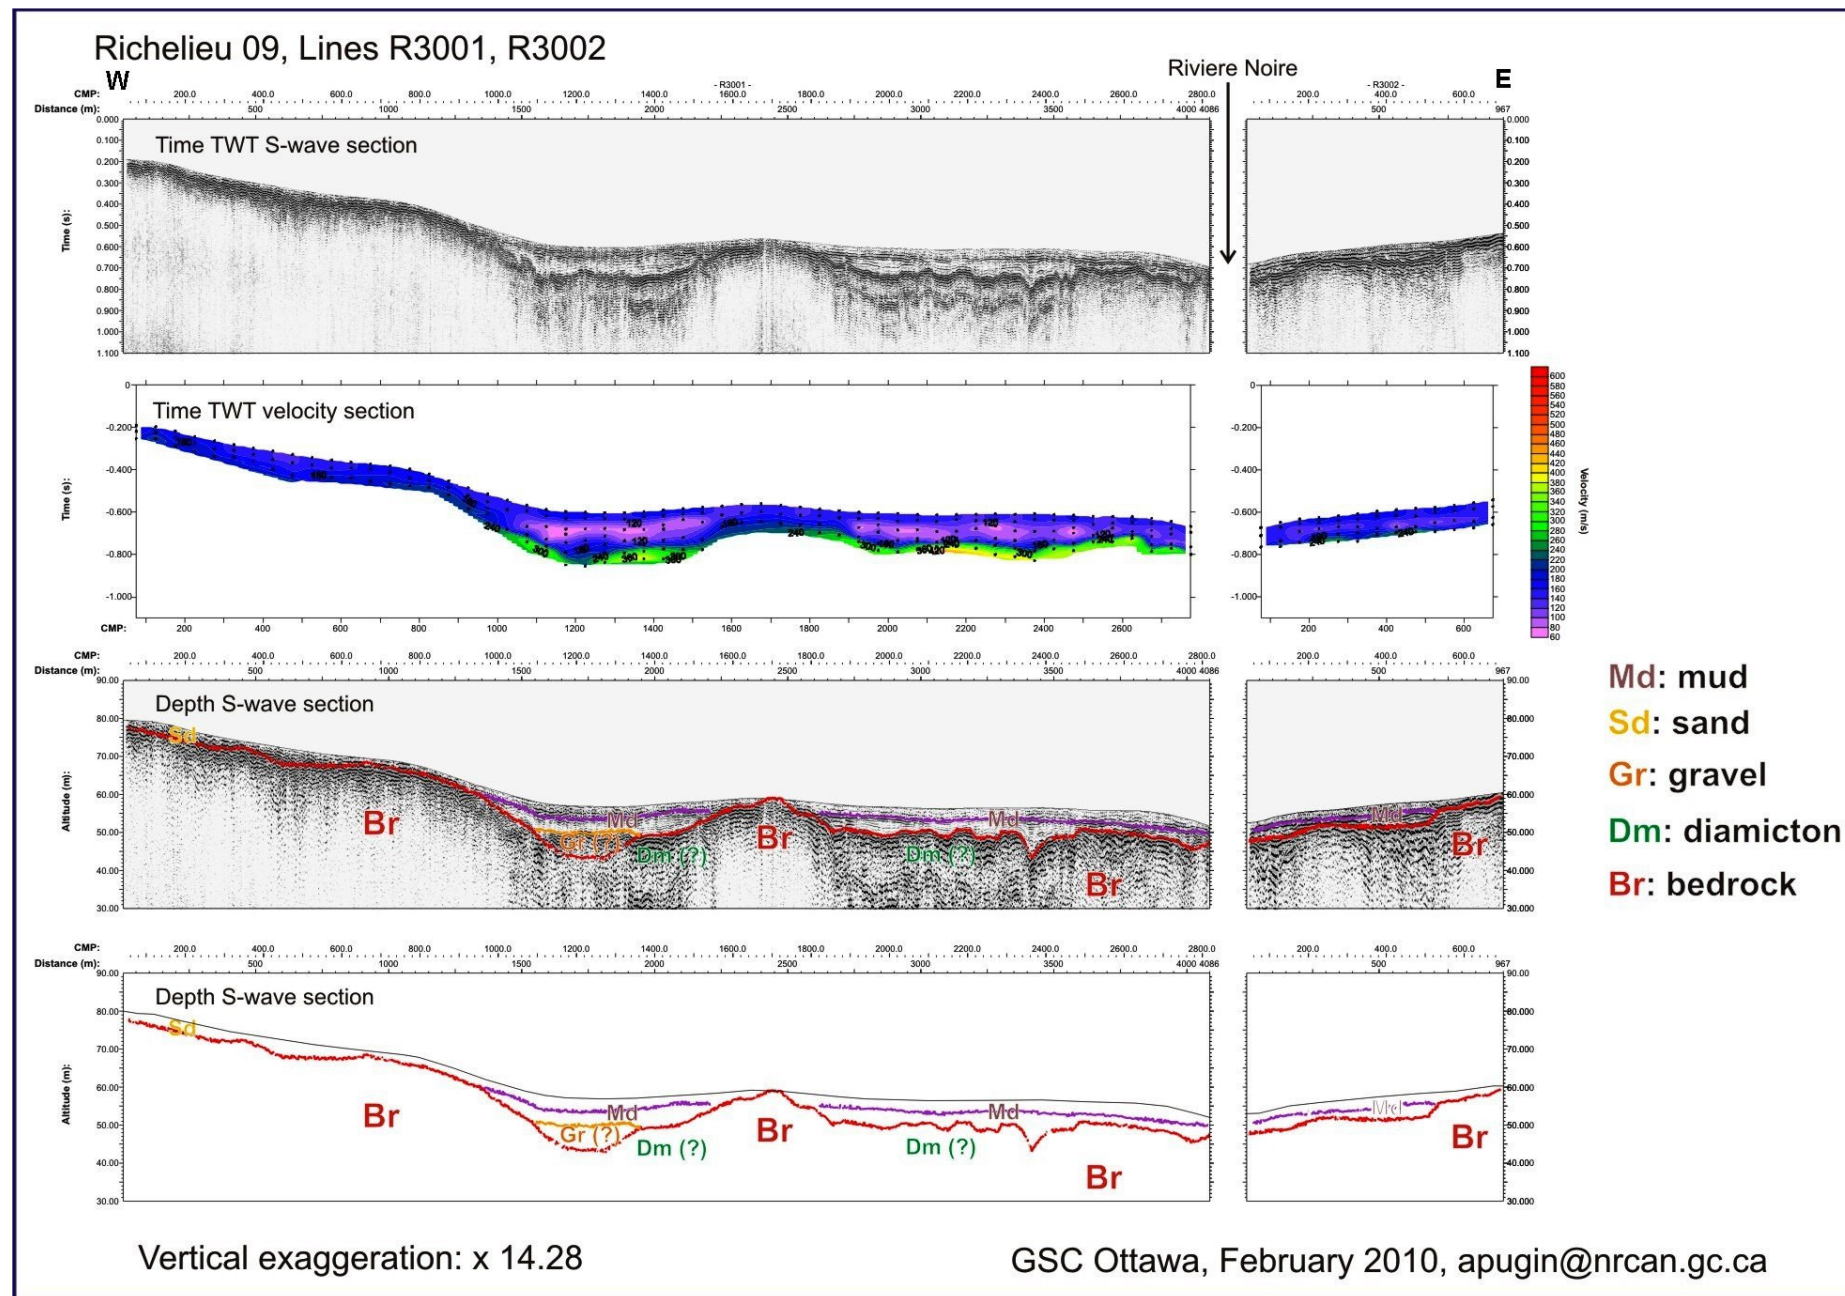

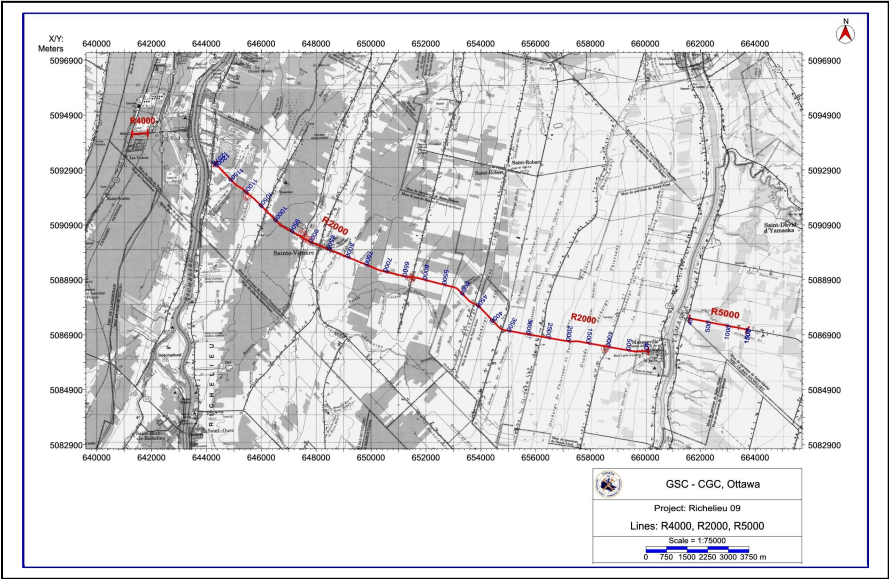

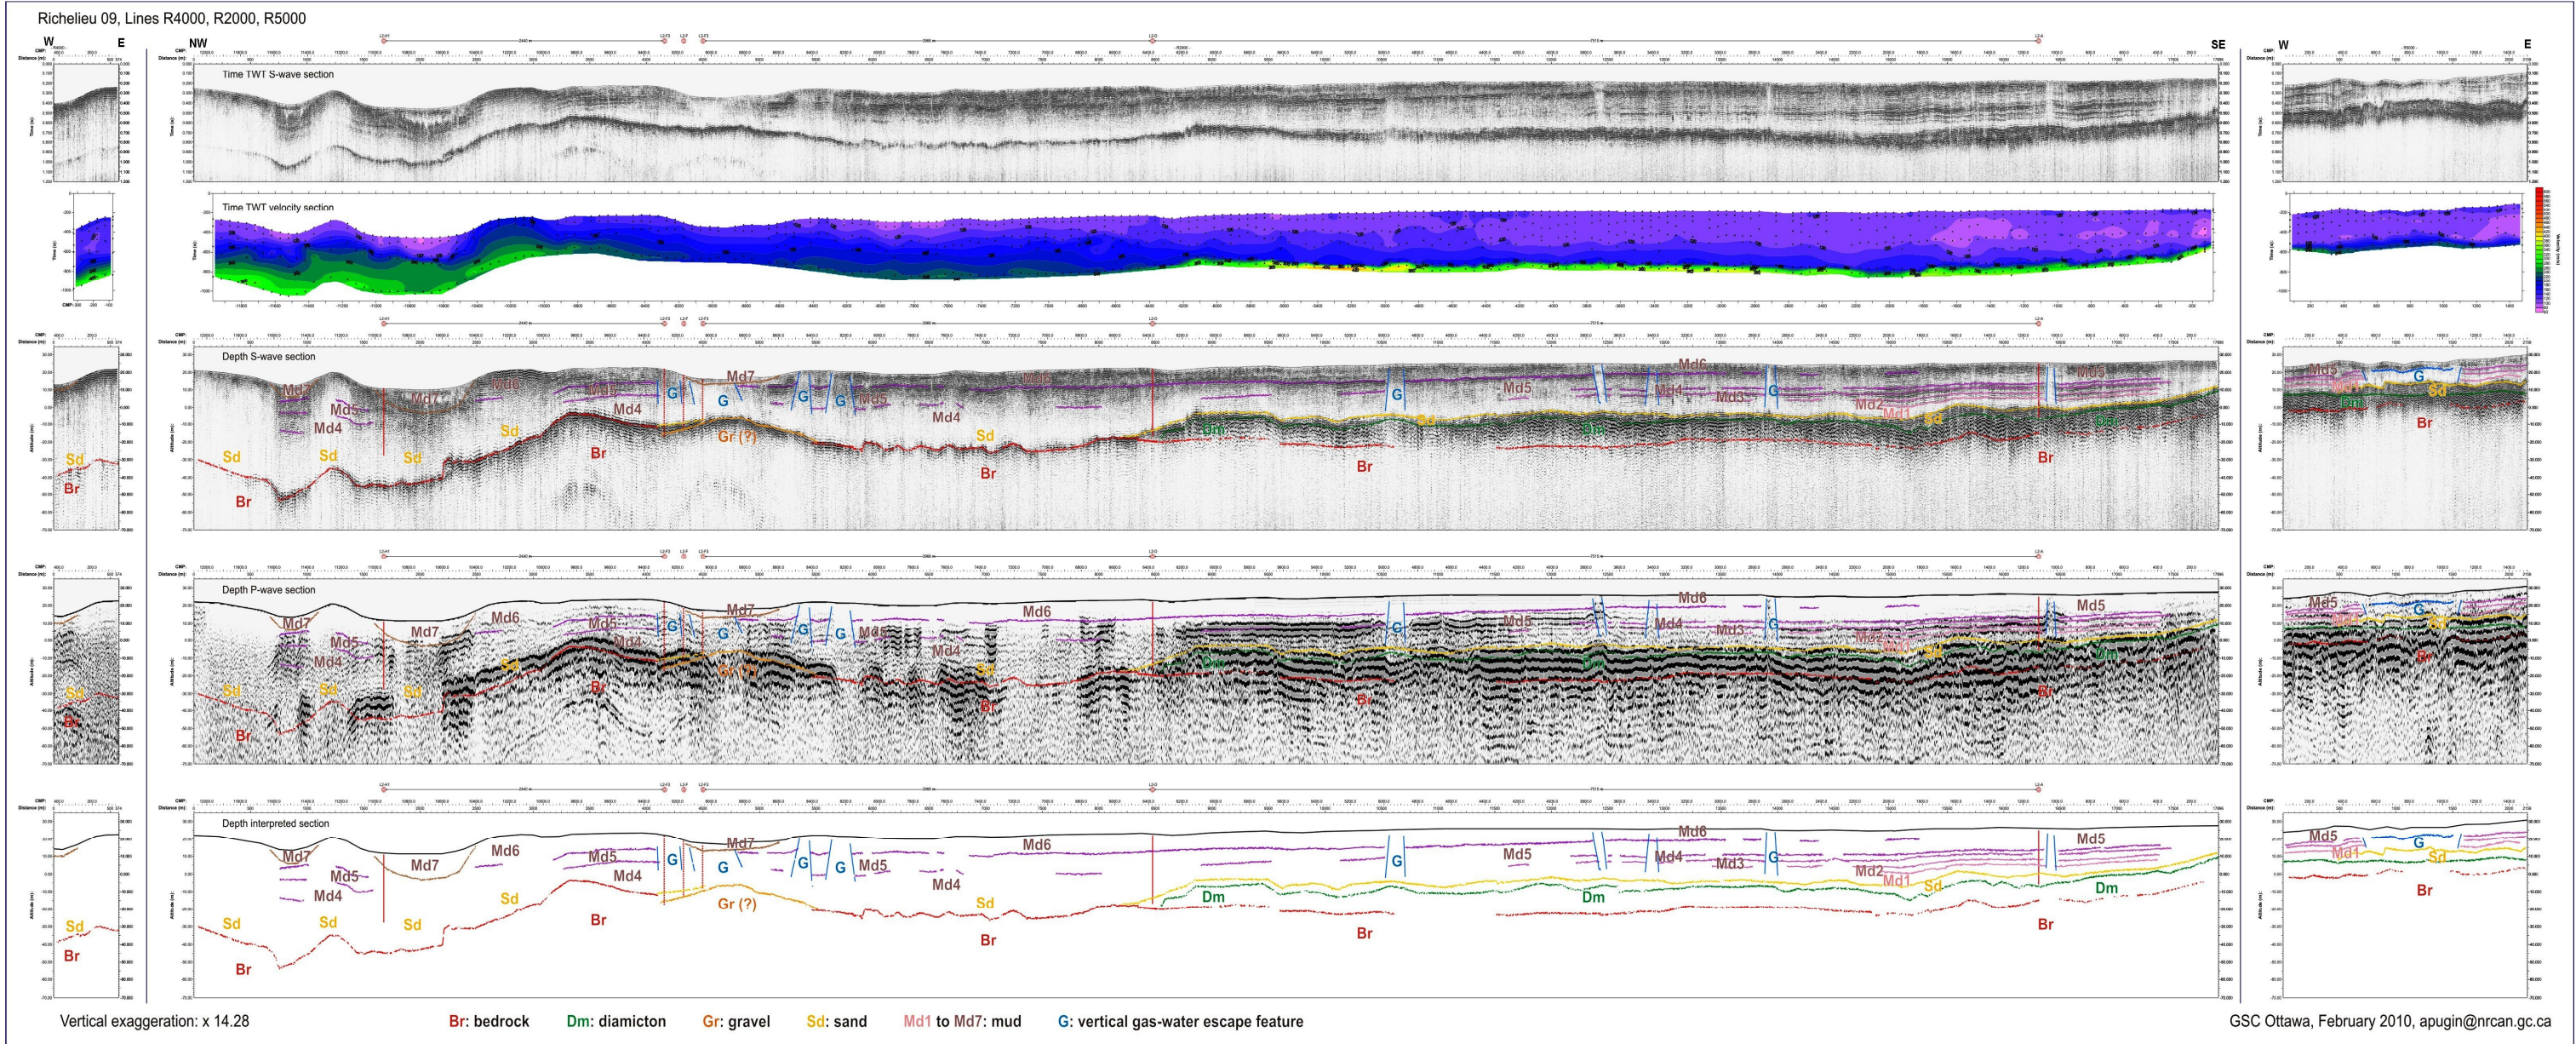

Plate 2: Interpreted Seismic Profiles - Line 3 (2009)

High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

GEOLOGICAL SURVEY OF CANADA
OPEN FILE 7346 (2013)

Plate 3: Interpreted Seismic Profiles - Lines 2, 4 and 5 (2009)
High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

GEOLOGICAL SURVEY OF CANADA
OPEN FILE 7346 (2013)

Plate 4: Interpreted Seismic Profiles - Line 6 (2009)
High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

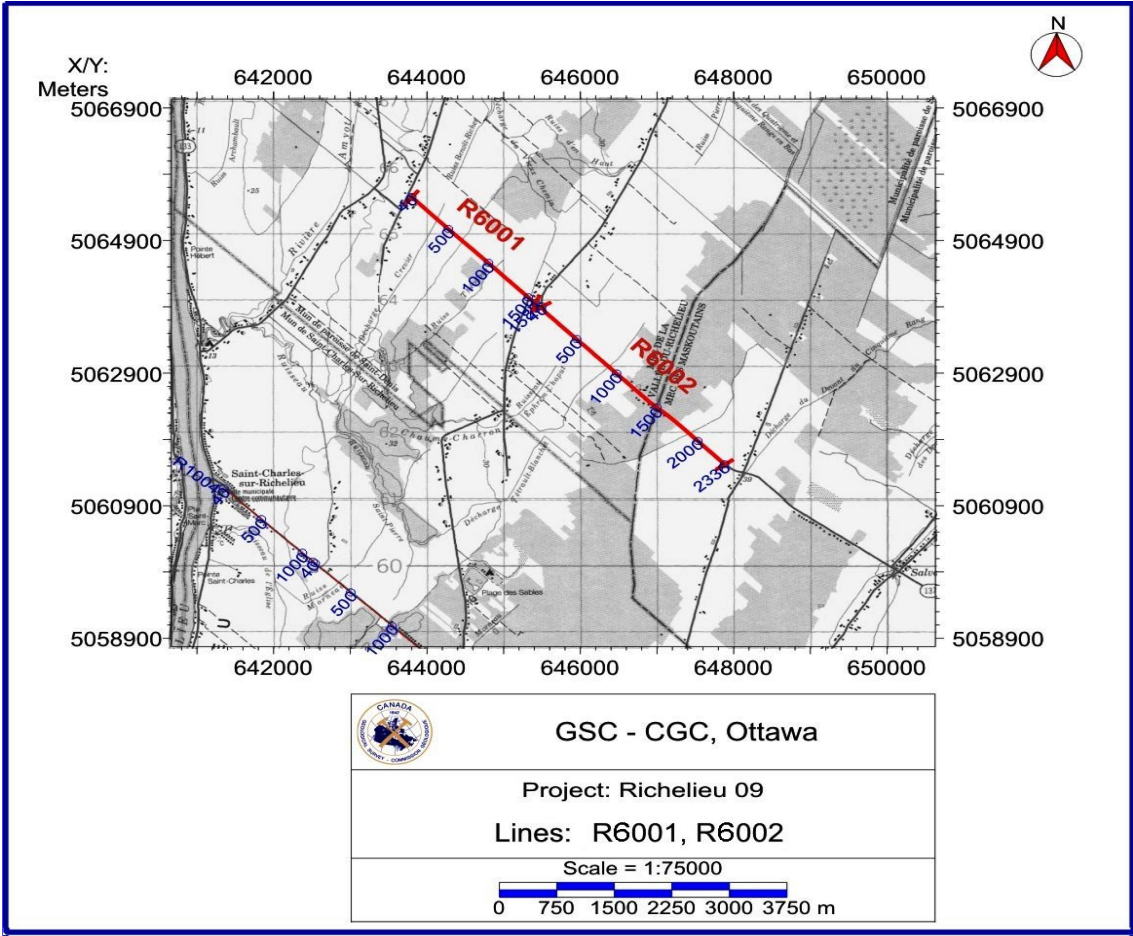

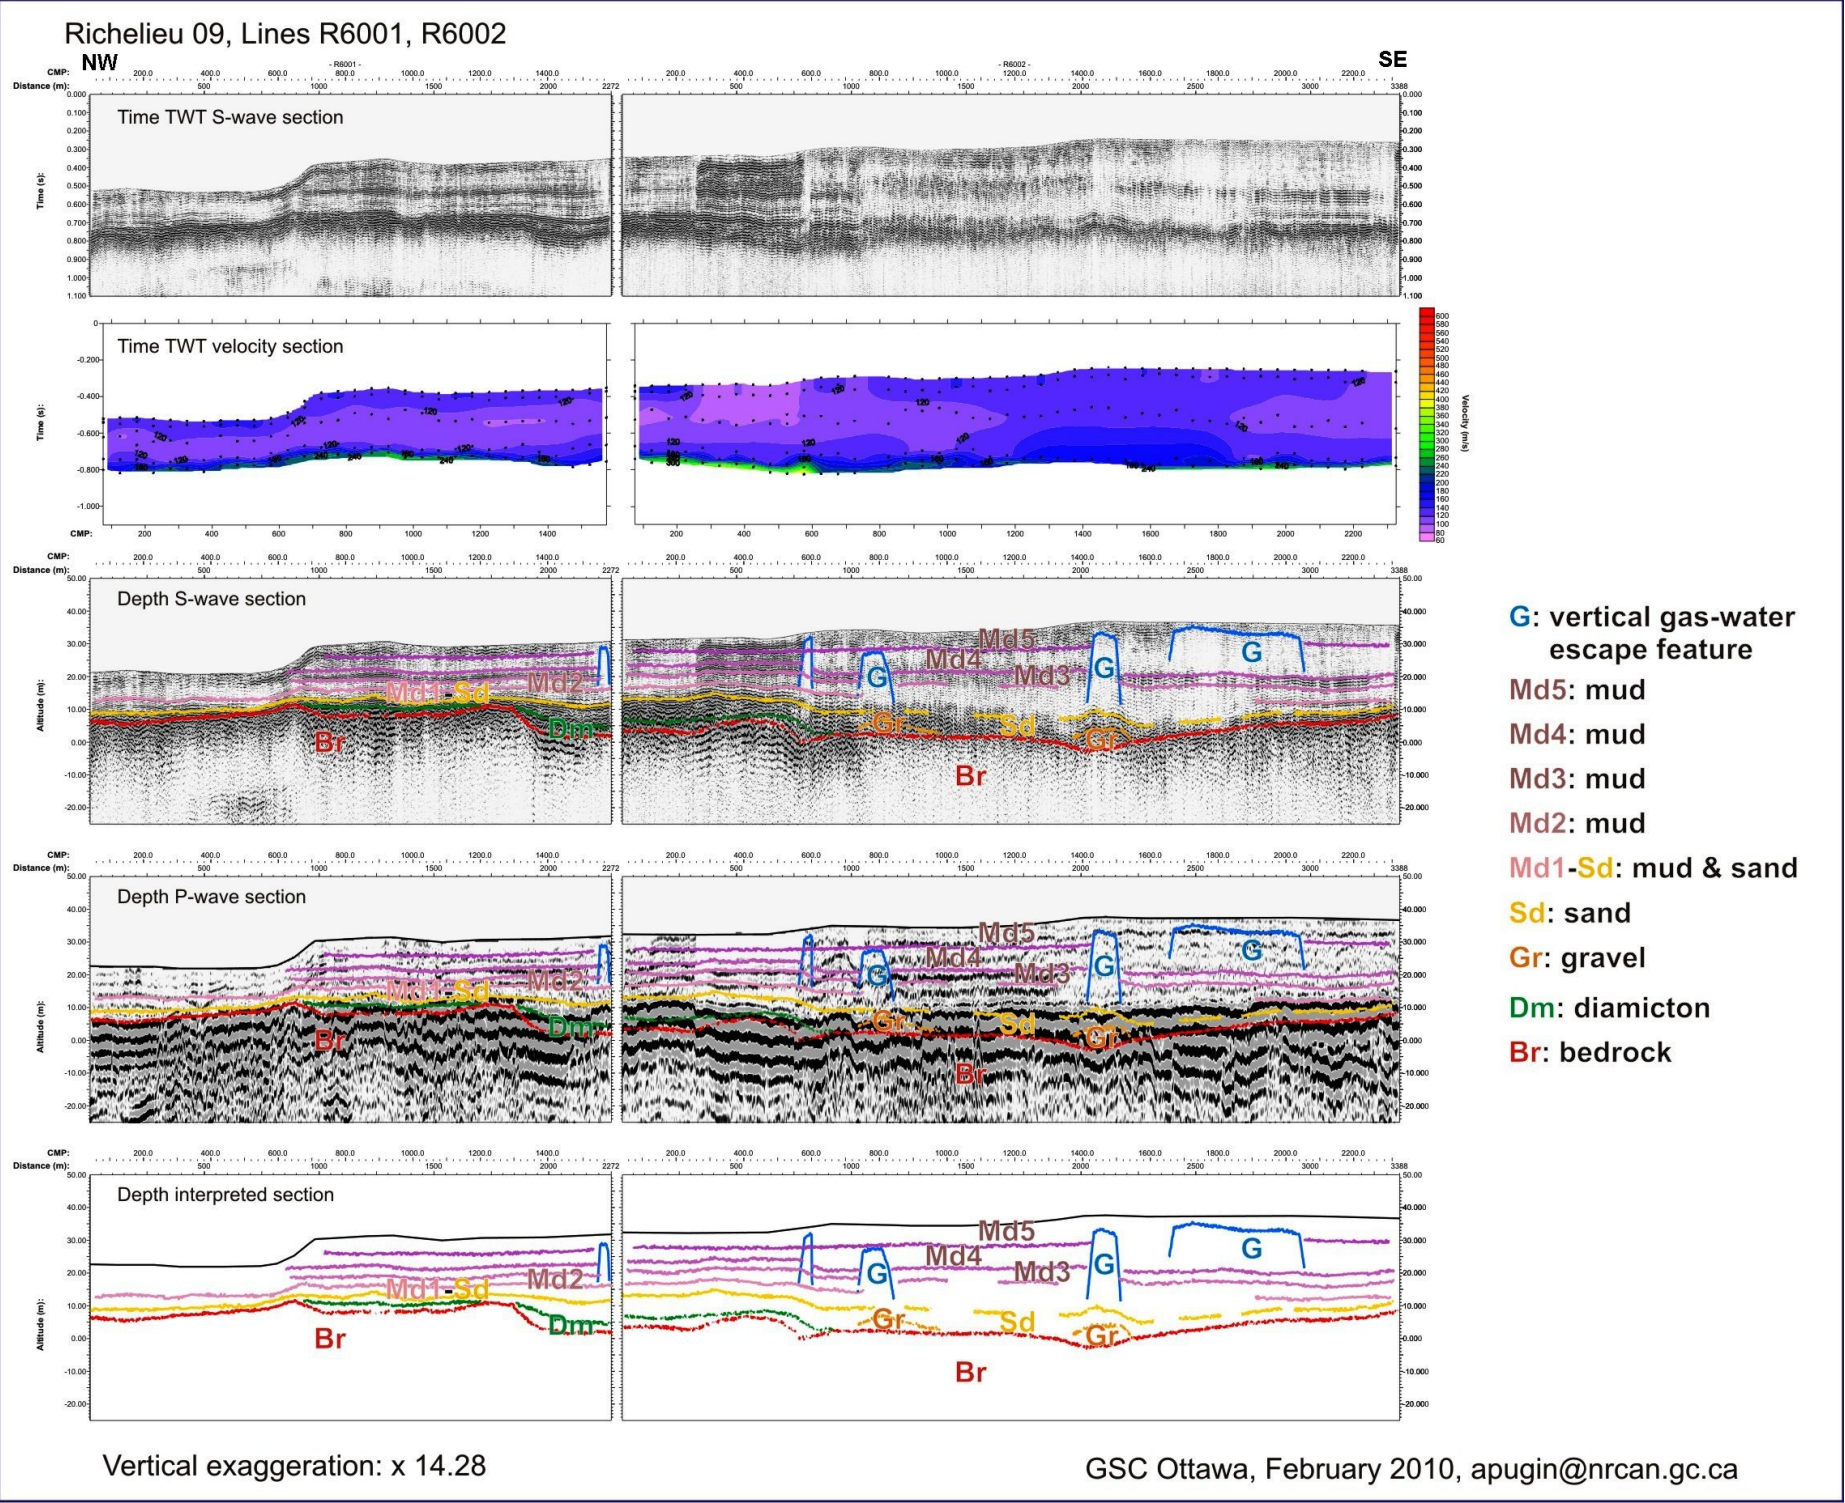

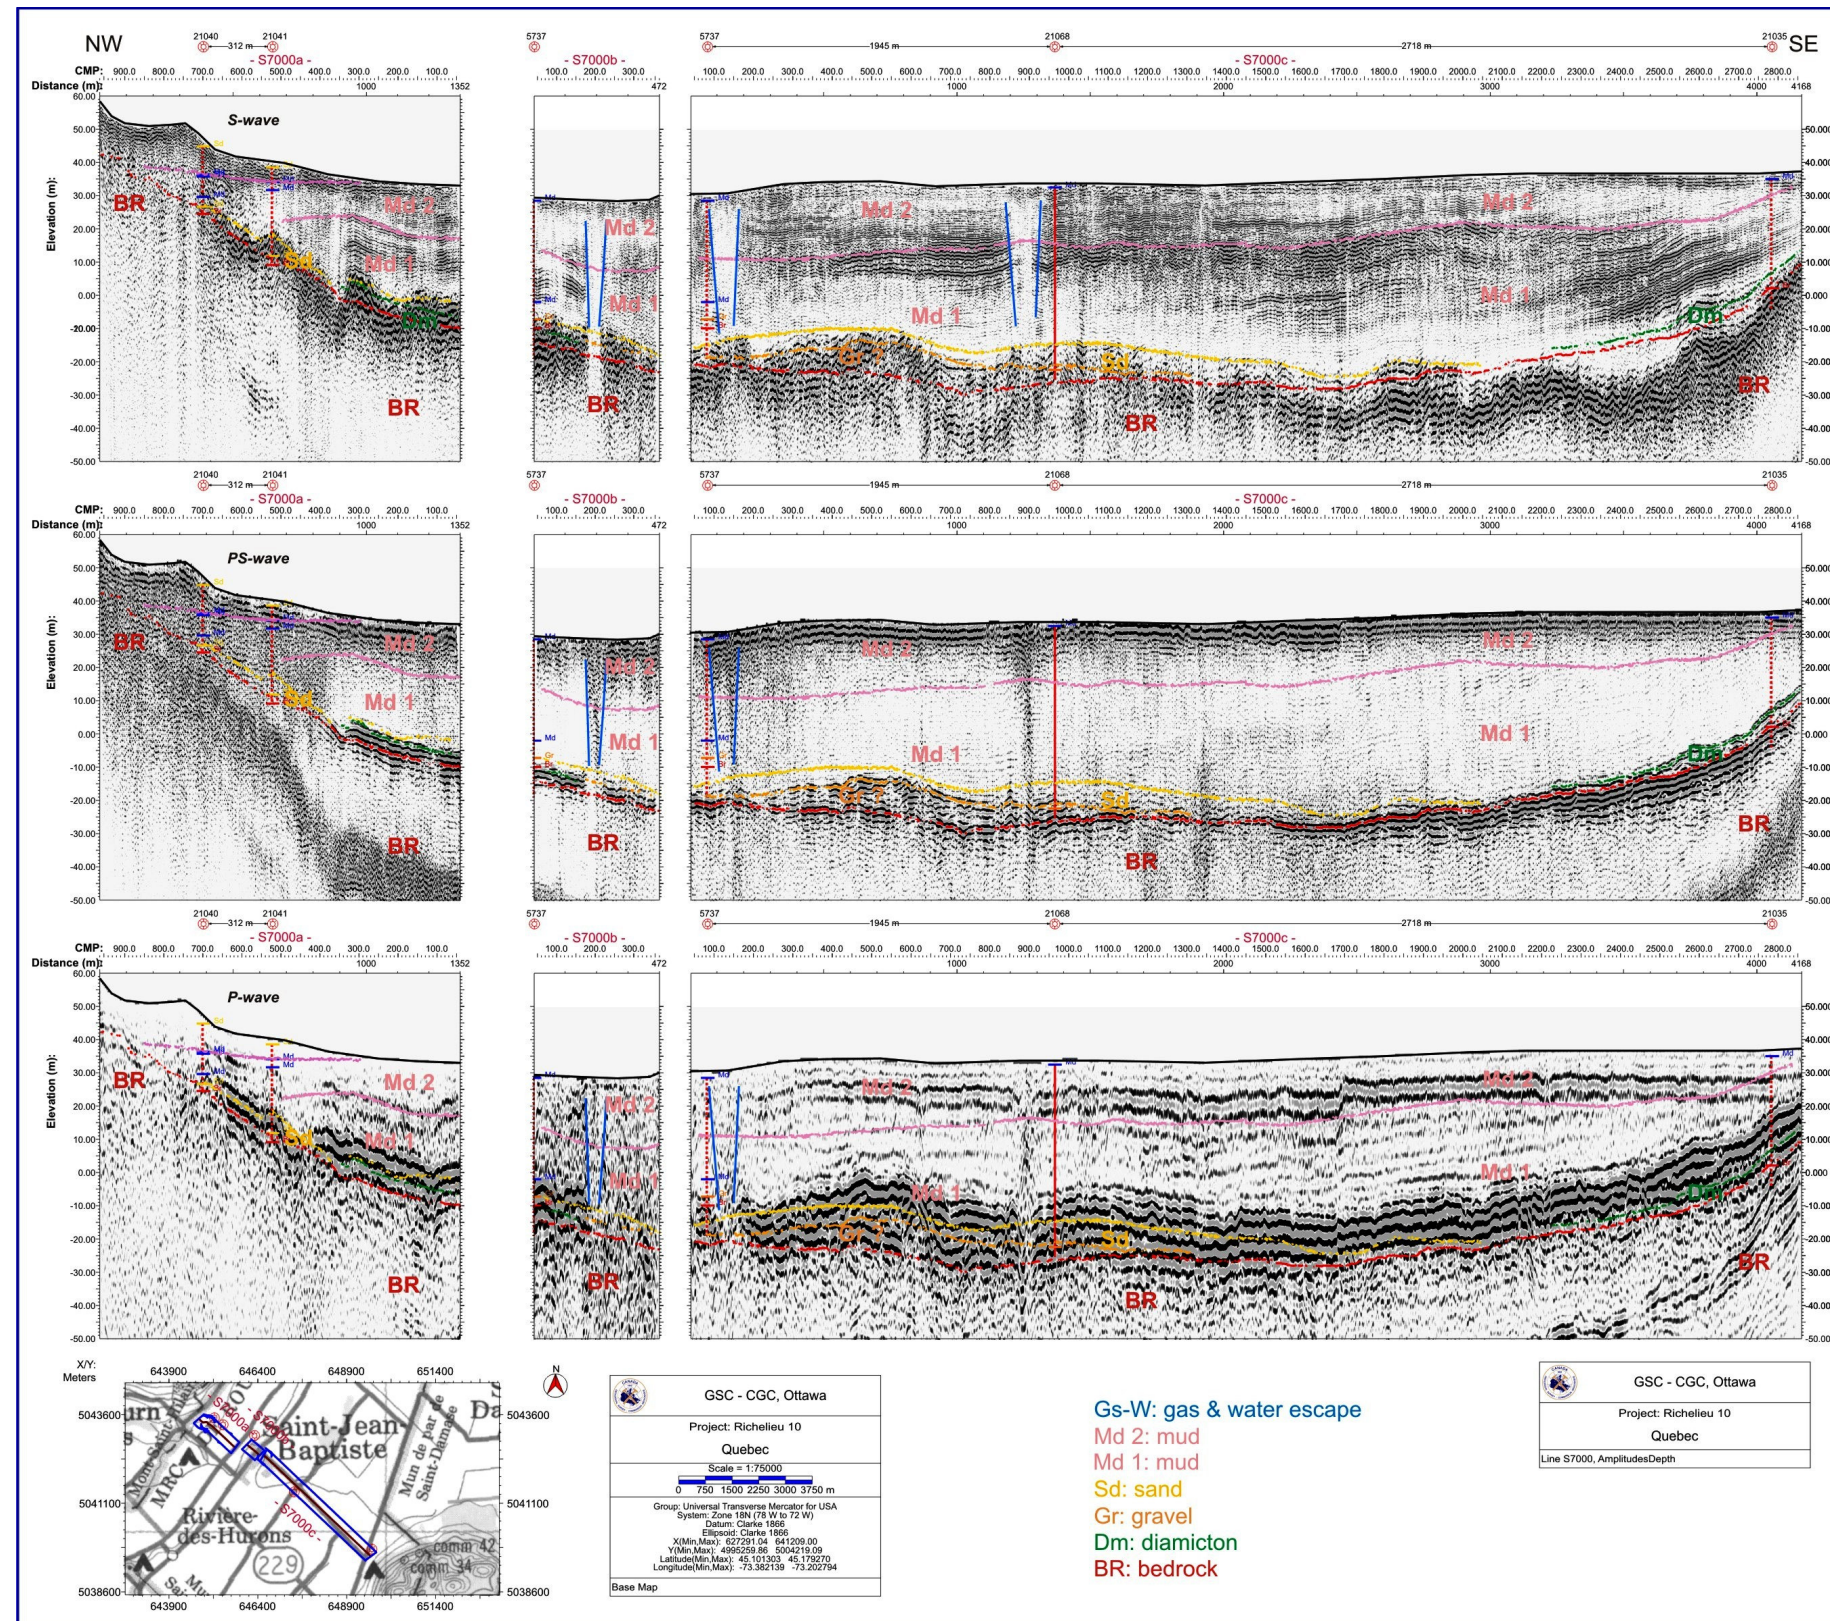

Plate 5: Interpreted Seismic Profiles - Line 7 (2010) High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

**GEOLOGICAL SURVEY OF CANADA
 OPEN FILE 7346 (2013)**

Plate 6: Interpreted Seismic Profiles - Line 8 (2010)
High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

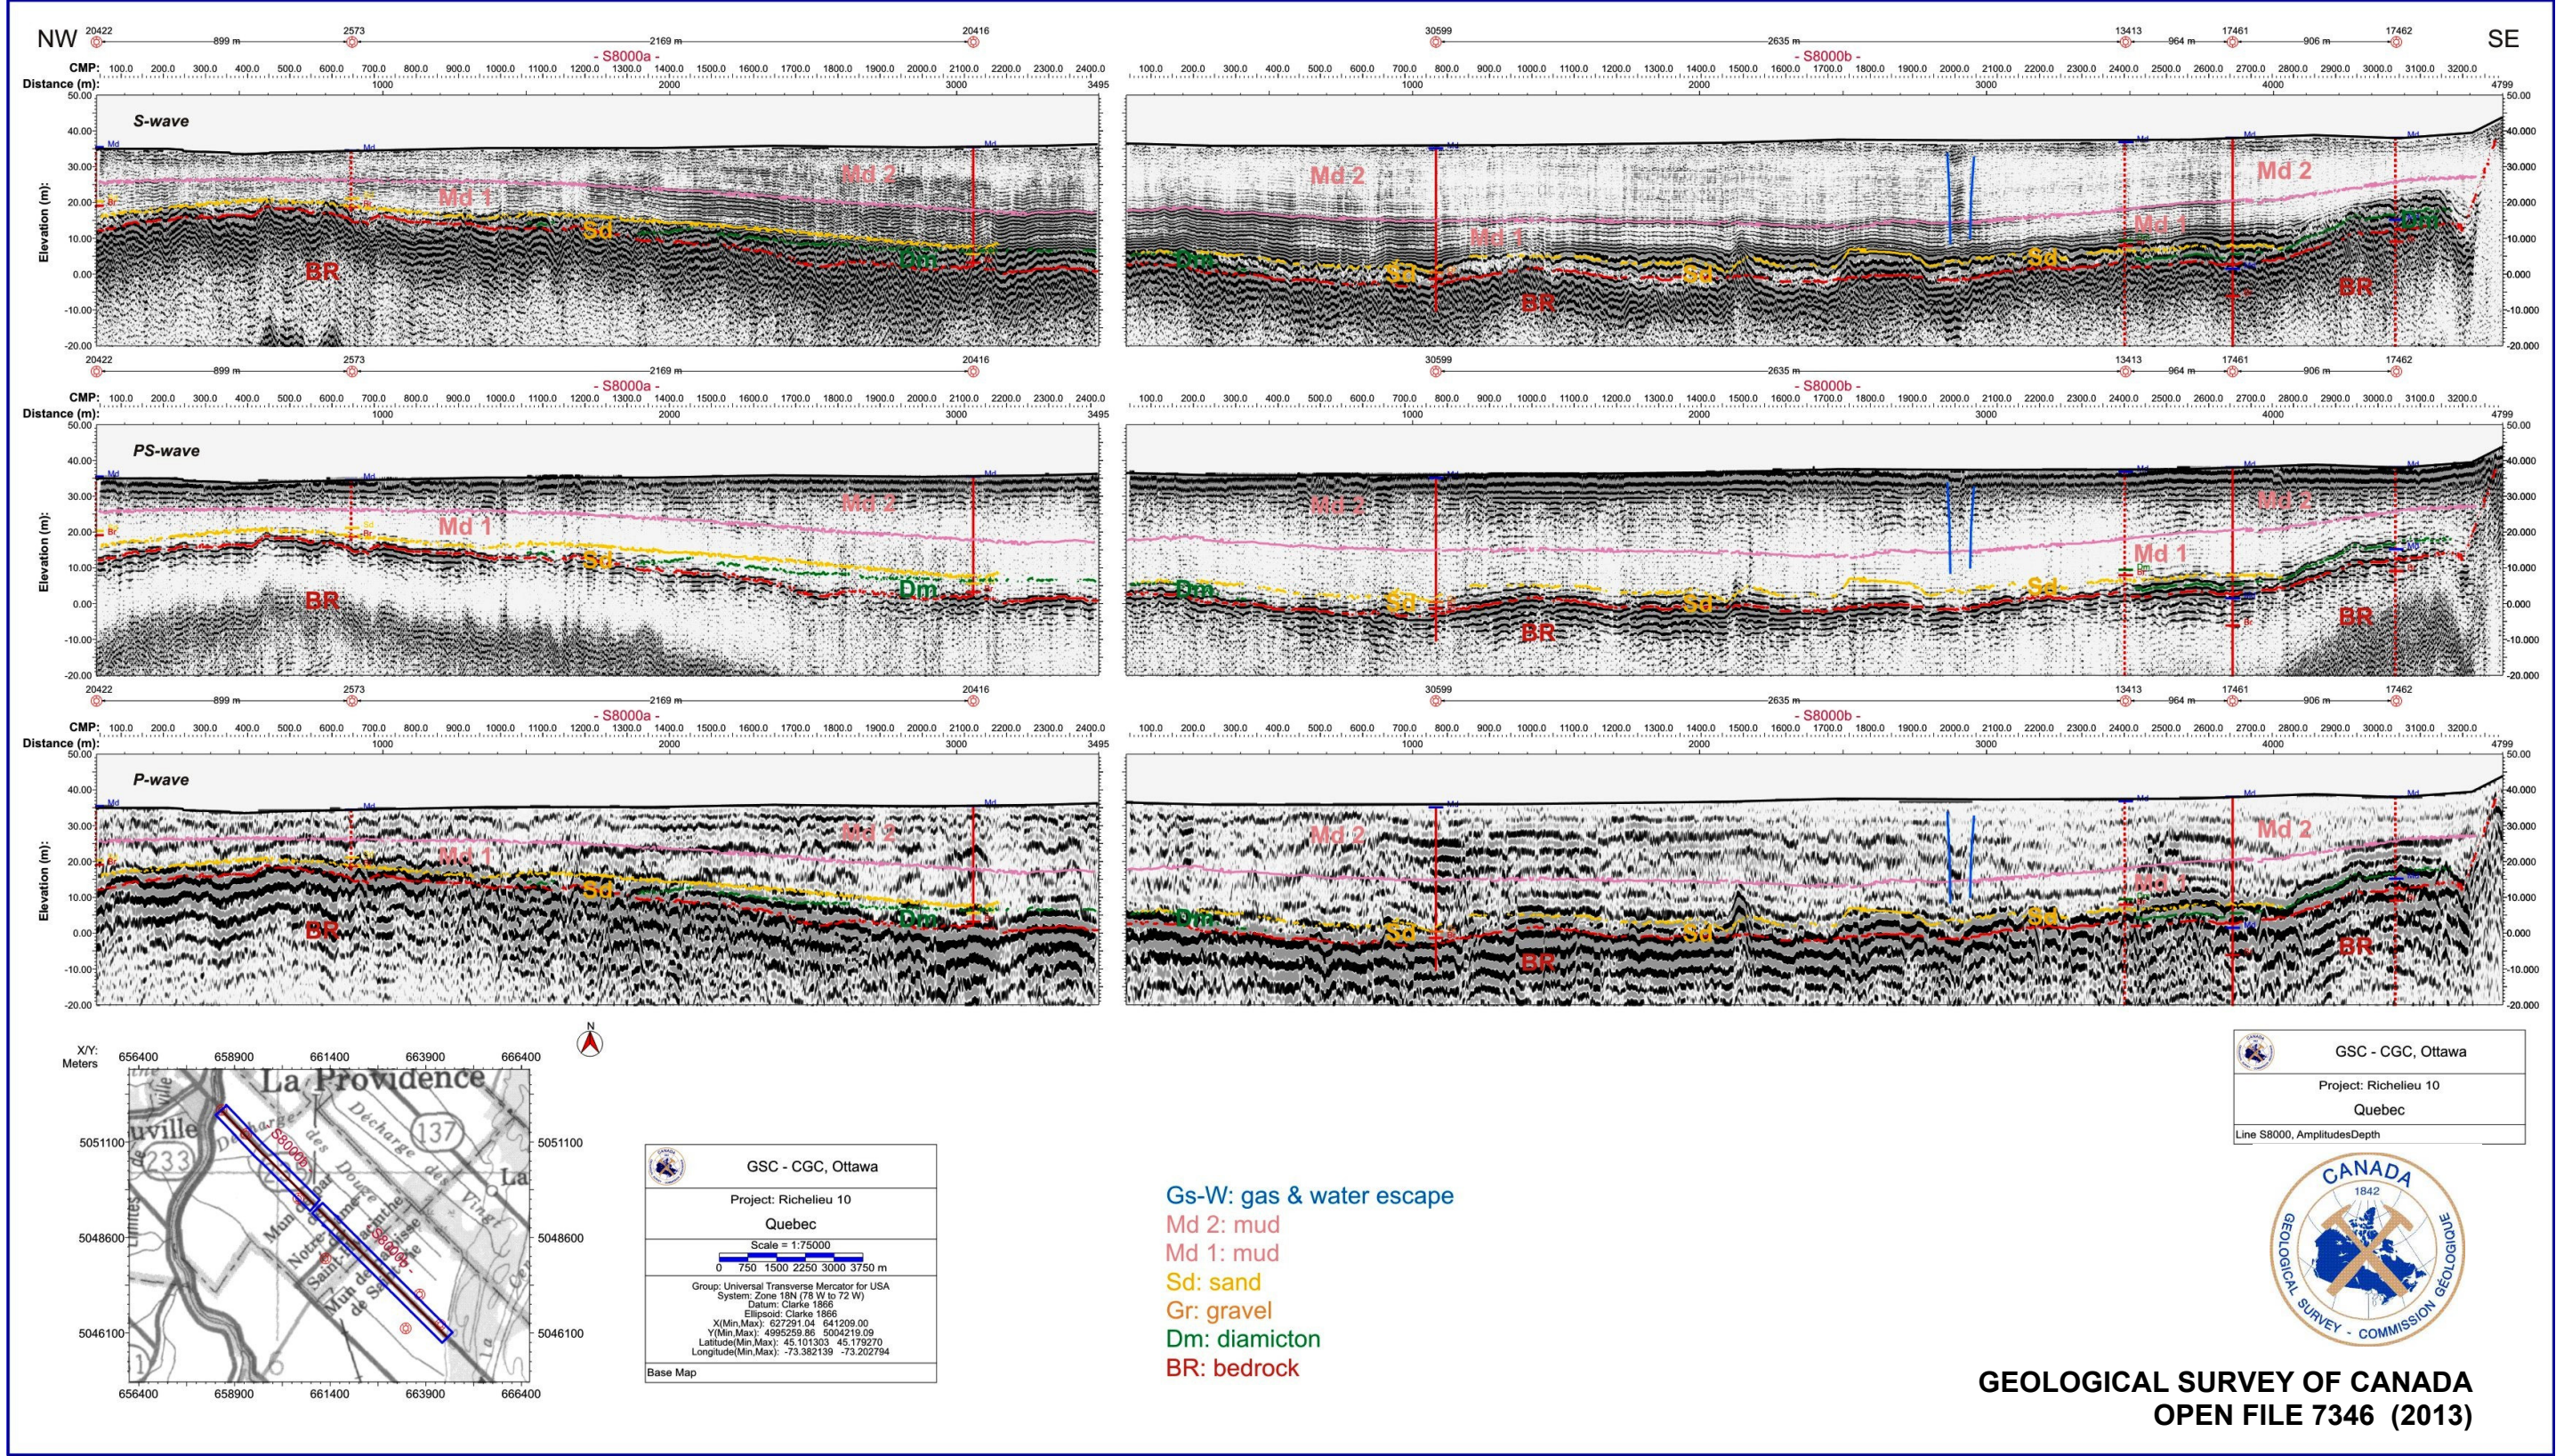

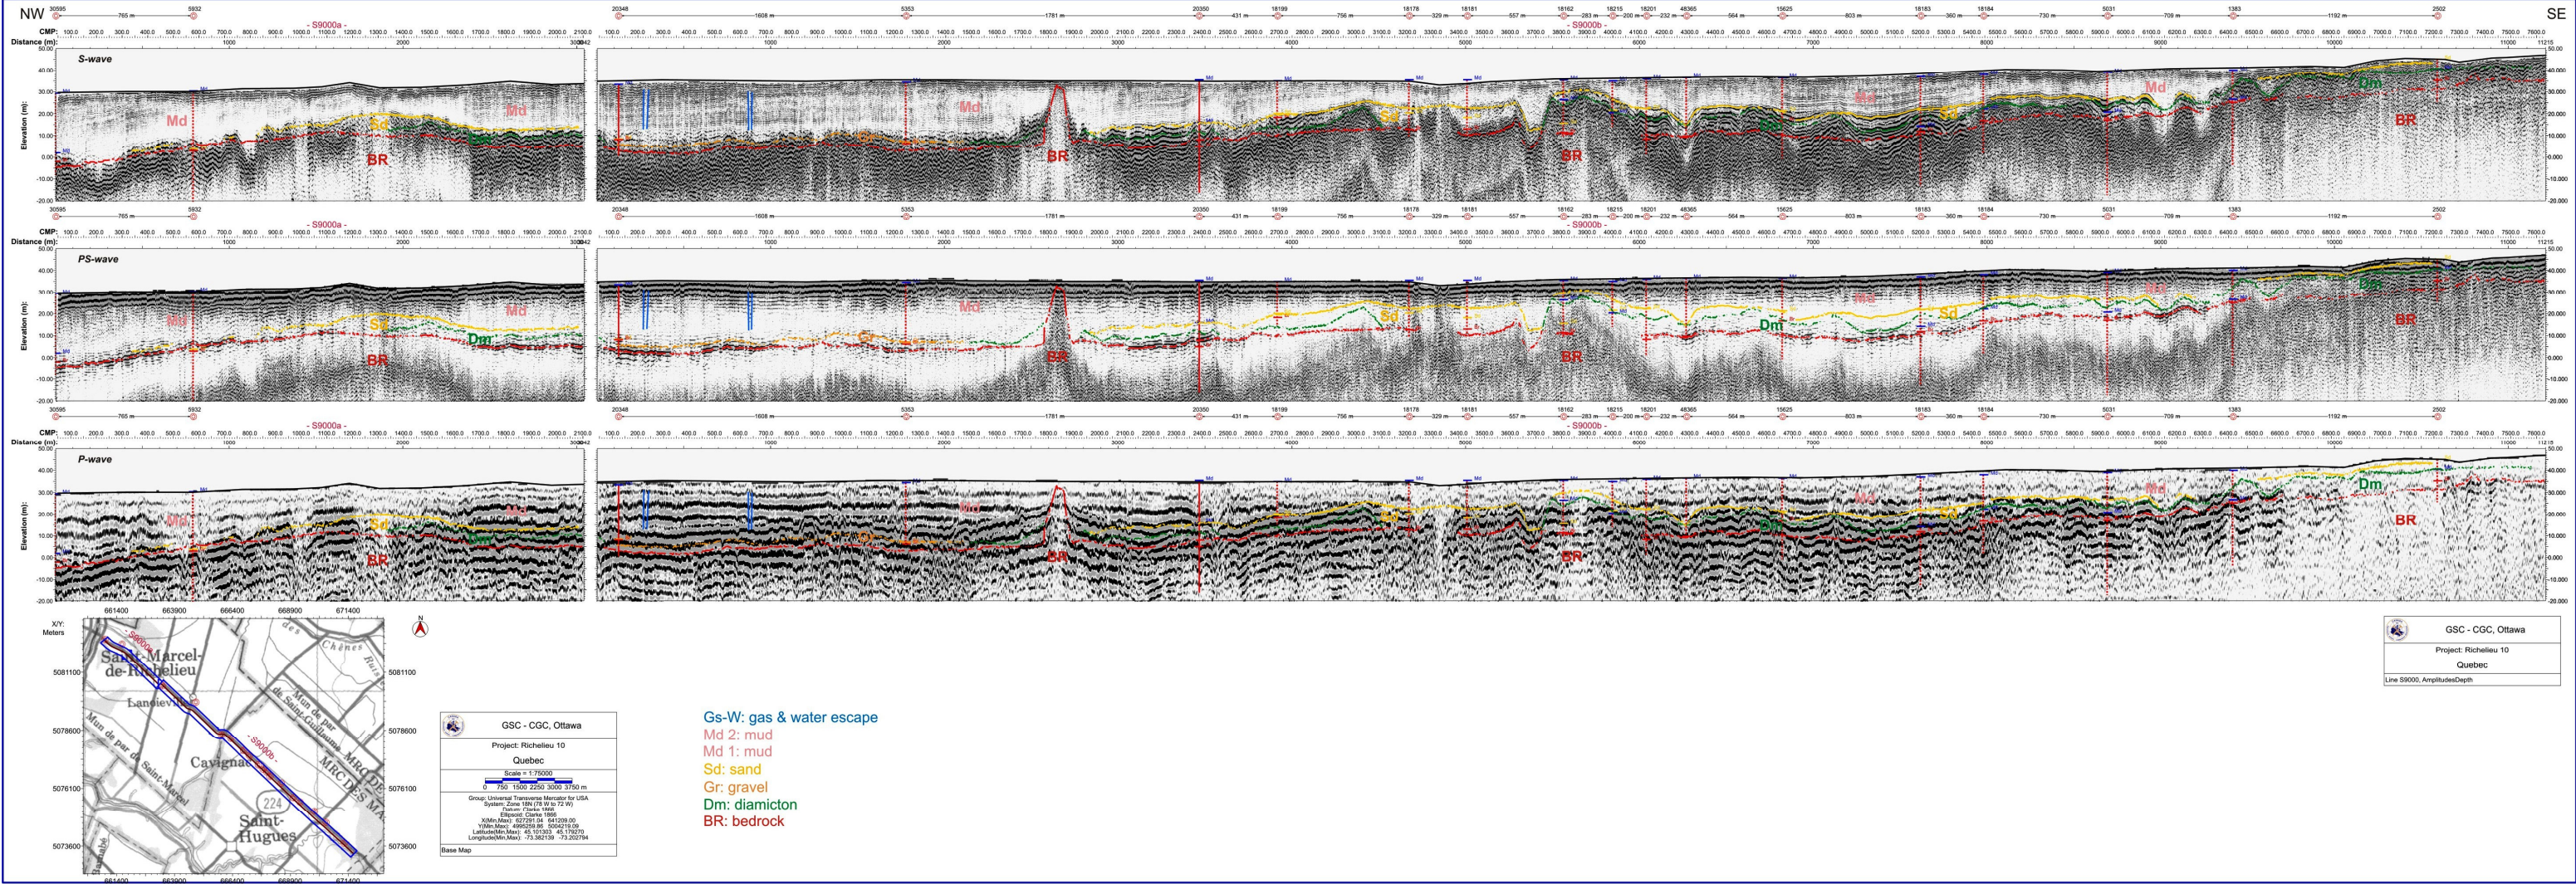

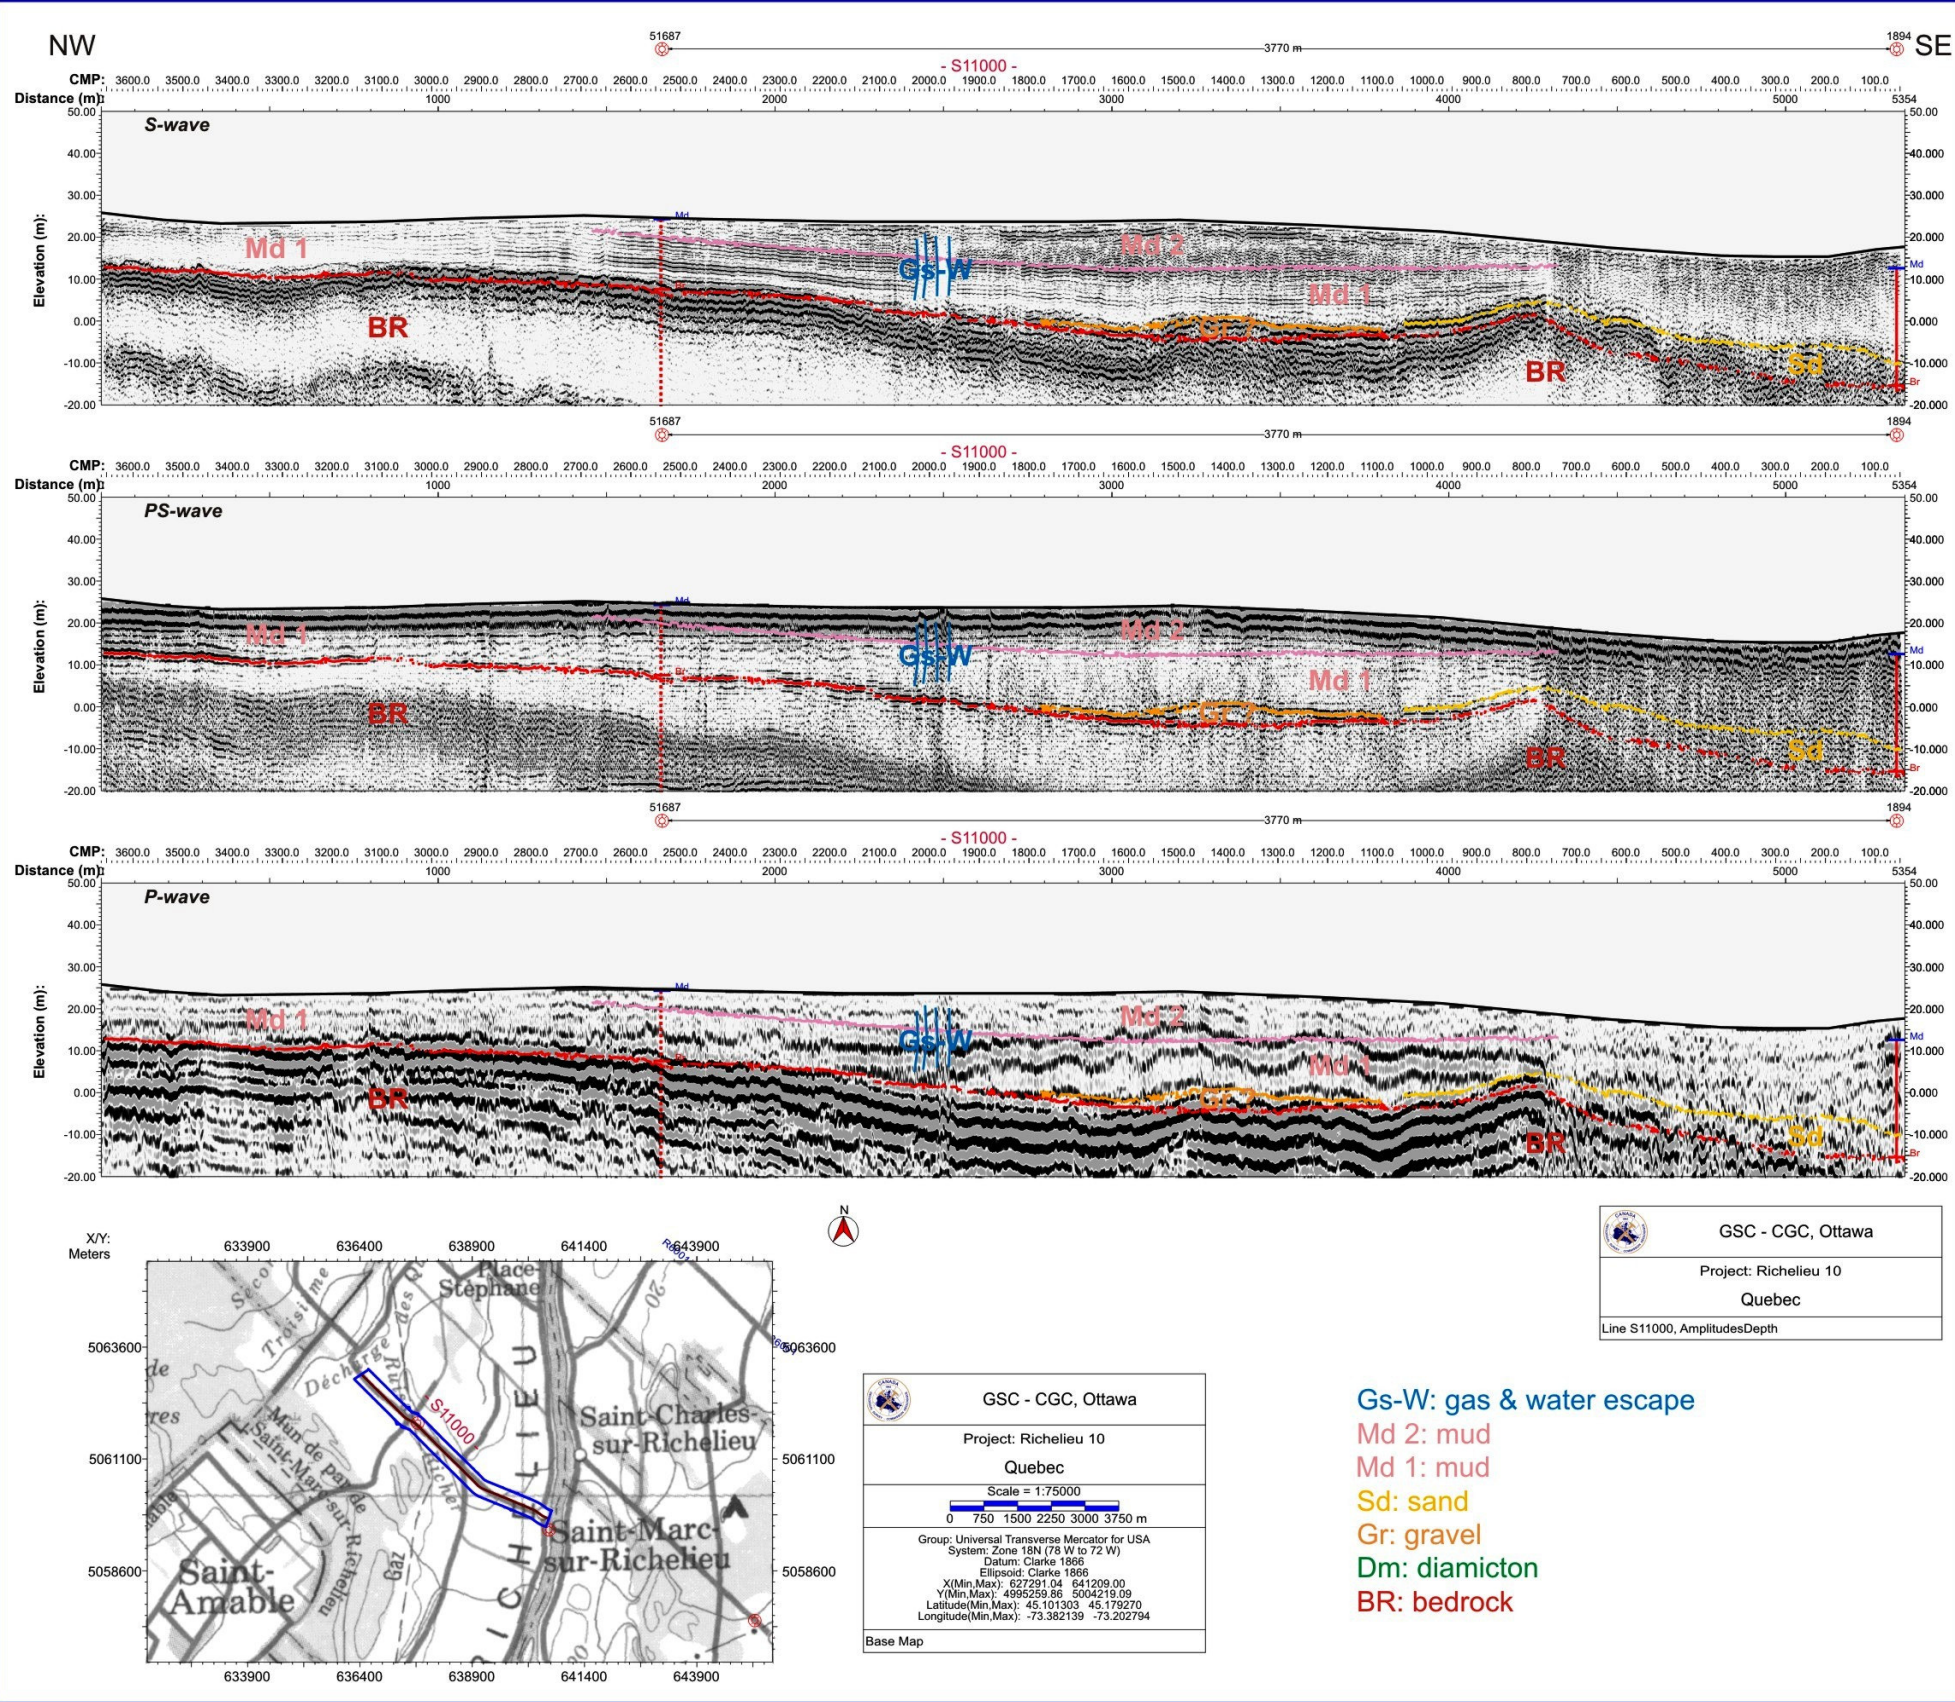

Plate 7: Interpreted Seismic Profiles - Line 9 (2010)
High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

Plate 9: Interpreted Seismic Profiles - Line 11 (2010)
High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

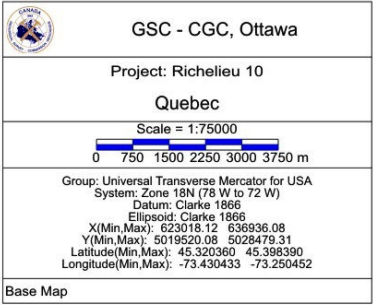

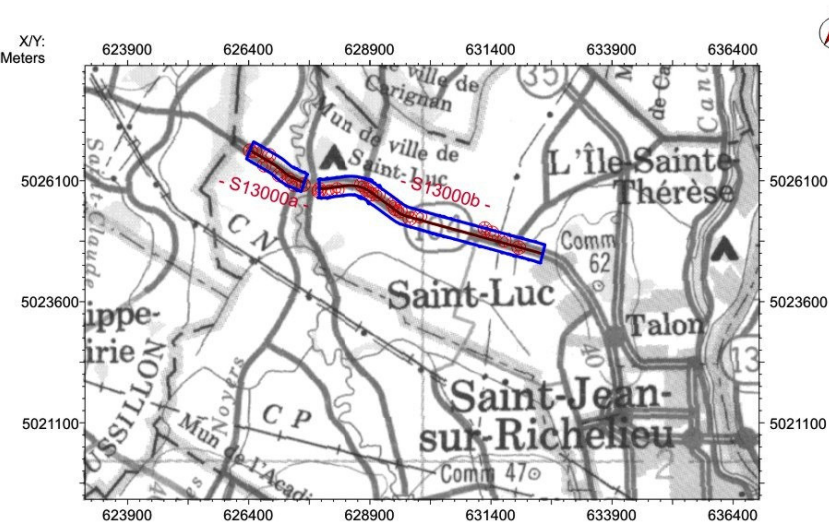

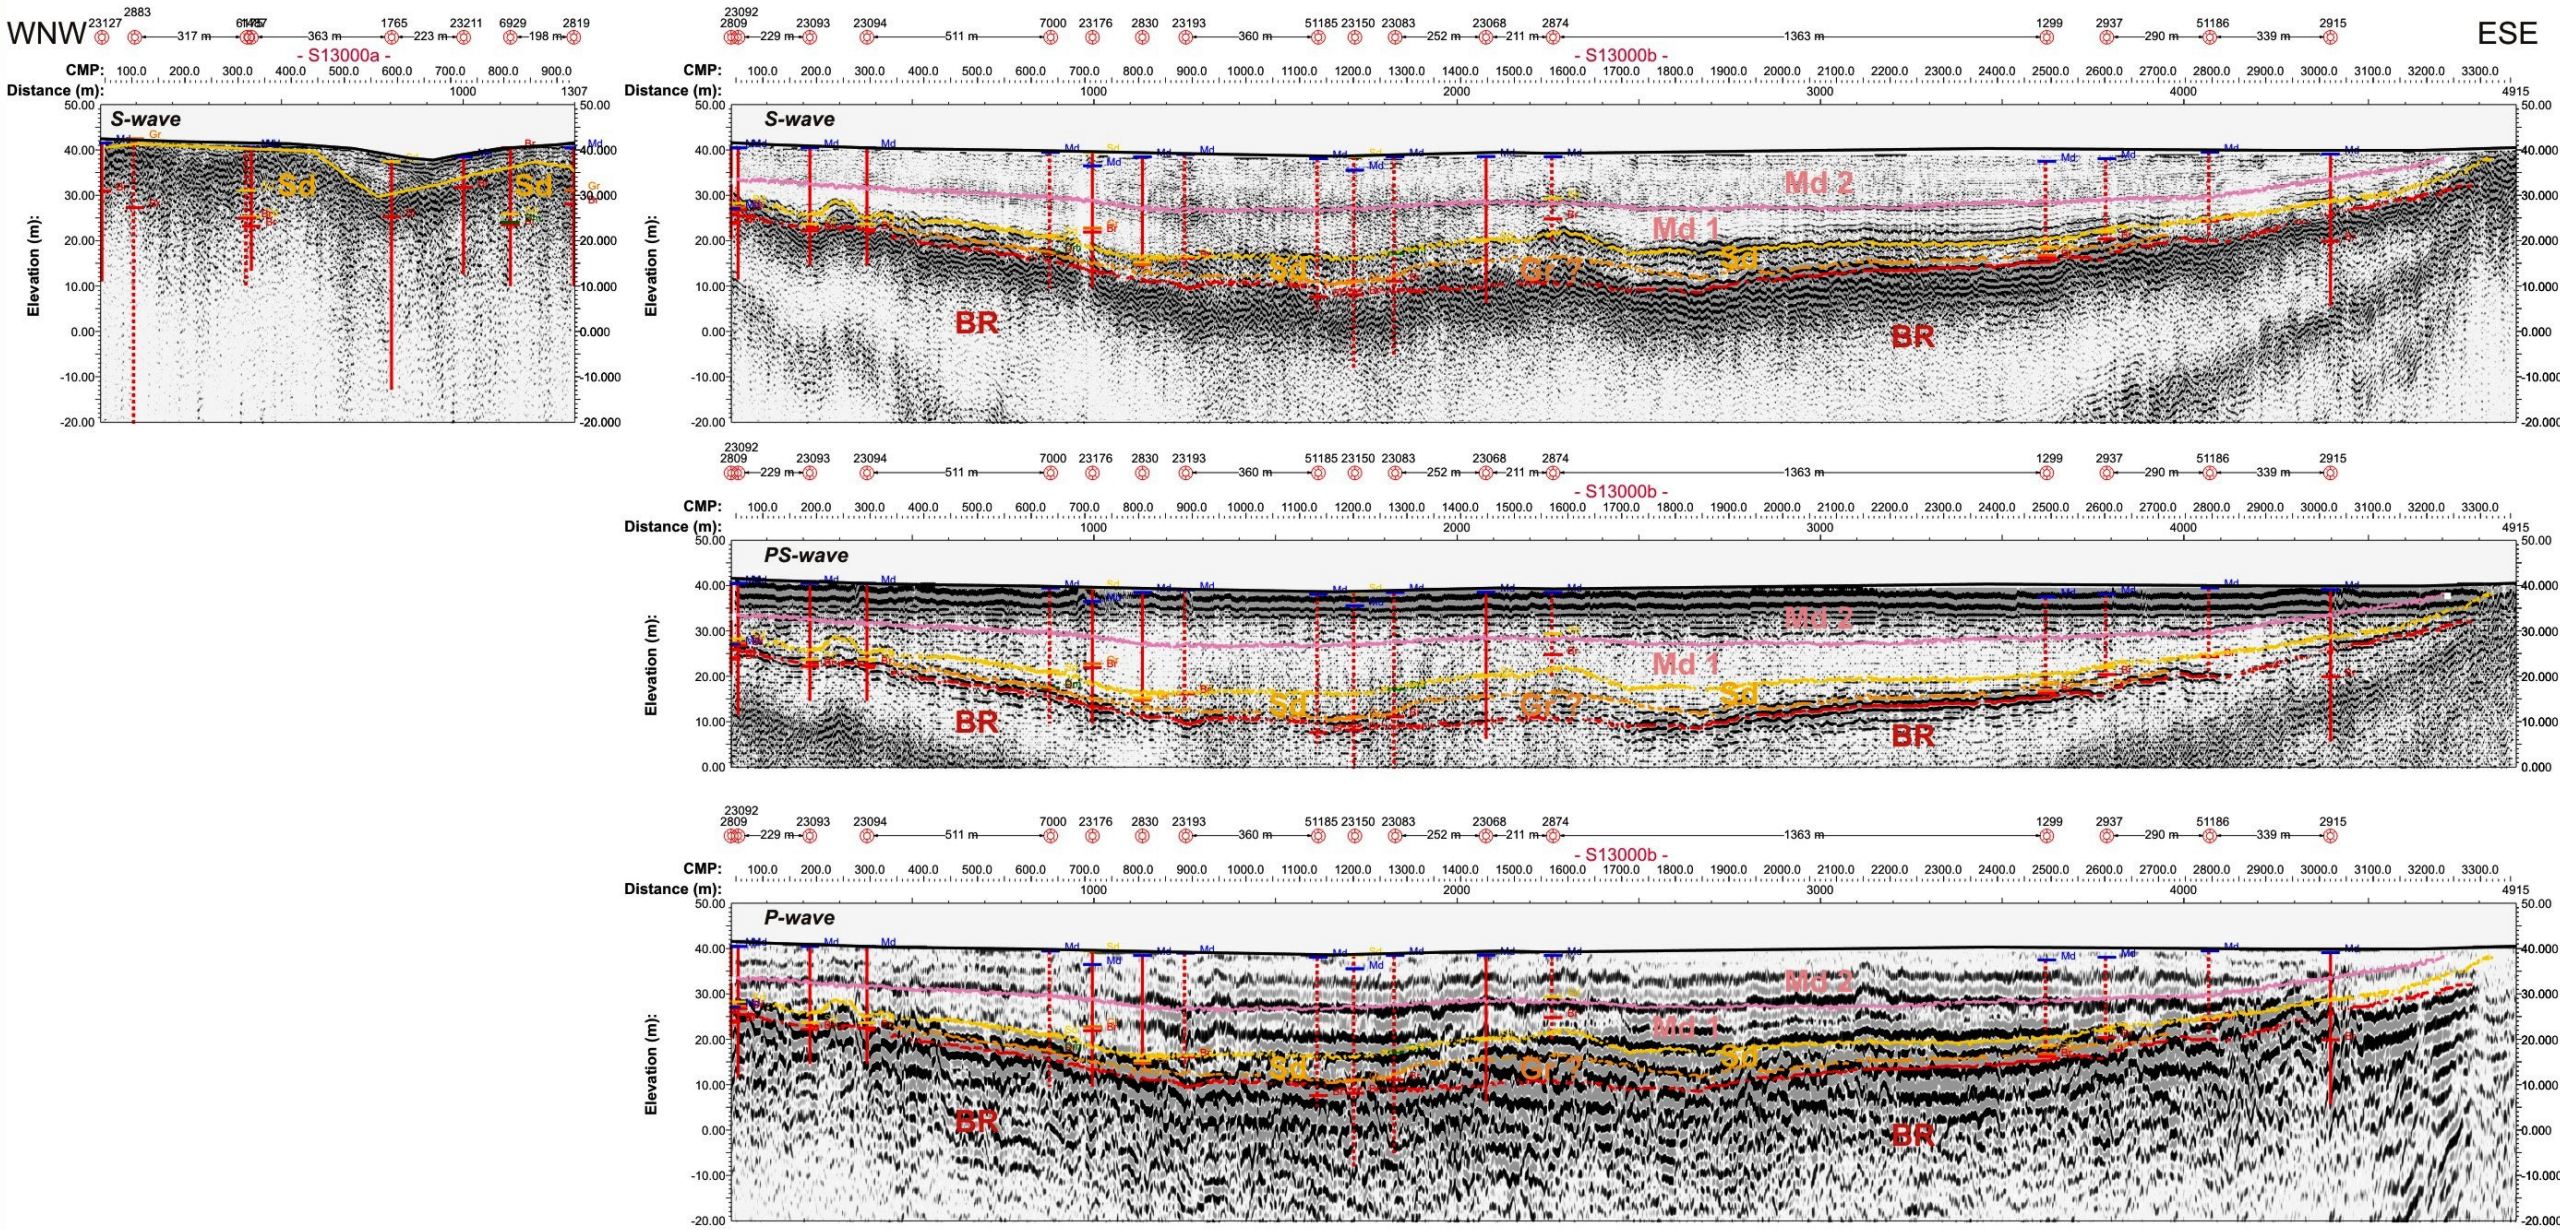

High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

**GEOLOGICAL SURVEY OF CANADA
OPEN FILE 7346 (2013)**

Plate 11: Interpreted Seismic Profiles - Line 13 (2010)
High-resolution Shallow Seismic Reflection Profiles for Groundwater Studies in the Montérégie region, south-east of Montreal, Quebec

Gs-W: gas & water escape
Md 2: mud
Md 1: mud
Sd: sand
Gr: gravel
Dm: diamicton
BR: bedrock
