

STRATIFIED ROCKS legend table. Lists geological units with their symbols and brief descriptions. Includes Quaternary (Qs), Miocene to Palaeocene (Os, MPcv), Oligocene (Oyb, Ev), Paleocene-Eocene (PEv), Paleocene (Plp), Upper Cretaceous (Ukpc, Ukou, ukcm, ukp1, ukp2, ukp3, ukp4, ukp5, ukf), Lower and/or Upper Cretaceous (luKq), Lower and/or Upper Cretaceous (Ikic), Lower Cretaceous (Ik2p, Ik2b, Ik2c, Ik2d, Ik2e, Ik2f, Ik2g, Ik2h, Ik2i, Ik2j, Ik2k, Ik2l, Ik2m, Ik2n, Ik2o, Ik2p, Ik2q, Ik2r, Ik2s, Ik2t, Ik2u, Ik2v, Ik2w, Ik2x, Ik2y, Ik2z), and Lower Cretaceous (Alban and (?) older).

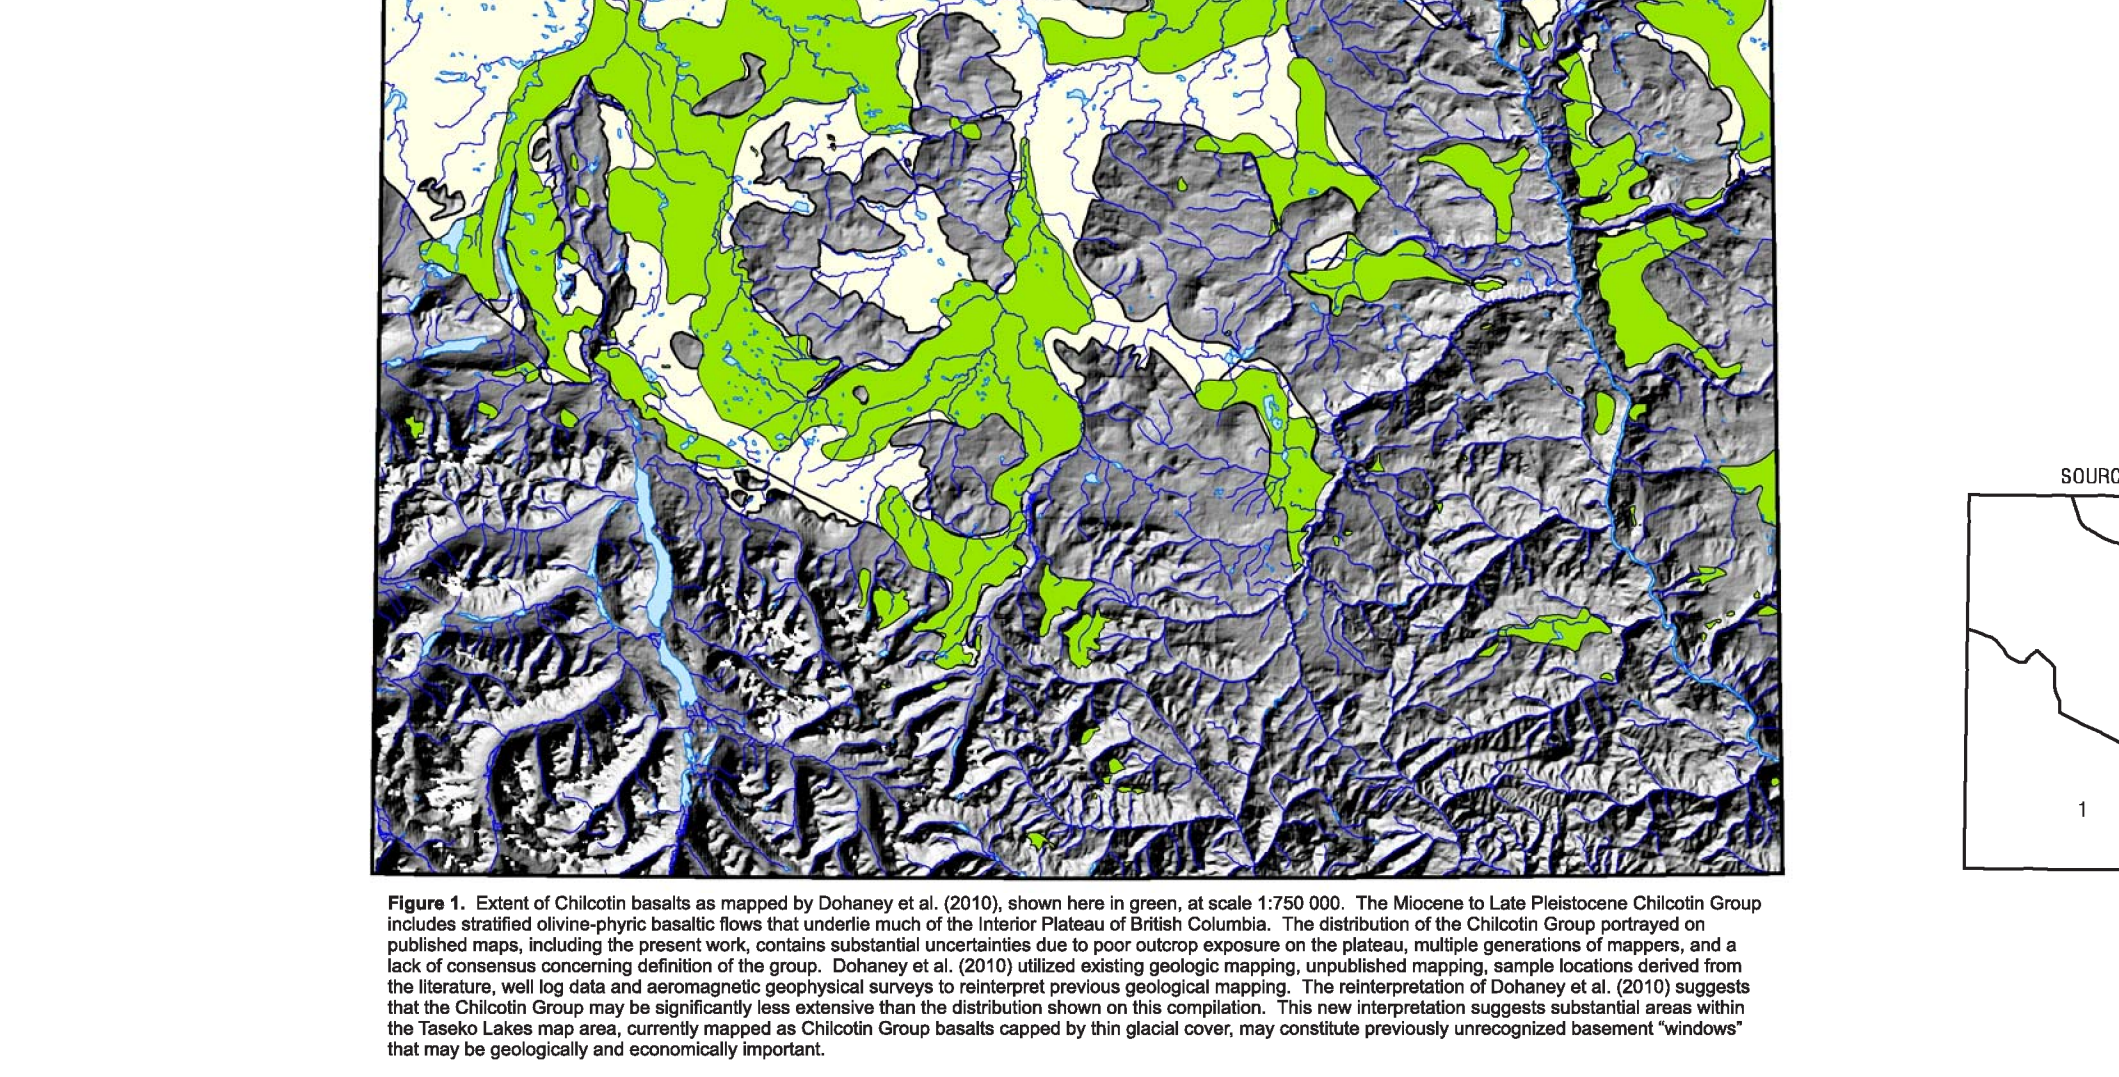

INTRUSIVE ROCKS legend table. Lists geological units with their symbols and brief descriptions. Includes Jackes Mountain Group (Kjm), Yalakom Mountain facies (Kym), Bridge River Complex (Cjb), Bridge River Complex (?) (Cjb?), Middle Triassic to Lower Jurassic (Tc), Upper Permian to Lower Jurassic (Ljrc), Middle Permian to Upper Triassic (Tcmc), Lower Permian (Pcm), Upper Triassic (Utr), Permian/Triassic (Ptx), Permian (Pbe), Permian and younger (7 older) (Psm), Paleozoic and/or Mesozoic (Pms), and Lower to Middle Jurassic (Ljrc).

INTRUSIVE ROCKS legend table (continued). Lists geological units with their symbols and brief descriptions. Includes Oligocene (Op), Eocene (Ei), Paleocene and/or Eocene (Pep), Late Cretaceous and/or Early Tertiary (Kti), Late Cretaceous (Lkgd), Early Cretaceous (Eka, Ekat, Eka), Cretaceous (?) (Kgd), Permian to Triassic (Kdi), Late Permian (Lpww, Lpvt), and Jurassic (Jdi).

SYMBOLS legend table. Lists geological symbols and their descriptions. Includes Geological contact (defined, approximate, assumed), Fault, sense unknown (defined, approximate), Thrust fault, upright (defined, approximate), Strike-slip fault (defined, approximate), Faults under Quaternary, Upright anticline (defined, approximate), Upright syncline (defined, approximate), Bedding (upright, top unknown, vertical, overturned).

REFERENCES list. Lists geological references including Doherty et al. (2010), Mahoney et al. (1994), and others.

Map metadata and publication information. Includes title 'TASEKO LAKES BRITISH COLUMBIA', scale 1:250 000, authors (J.B. Mahoney, C.J. Hickson, J.W. Haggart, P. Schiarizza, P.B. Read, R.J. Enkin, P. van der Heyden, and S. Israel), geological compilation by P. Schiarizza, J.B. Mahoney, and C.J. Hickson, review by G.J. Woodworth, cartography by C.L. Wagner, Geological Survey of Canada, Pacific Division, and various technical details like datum, projection, and magnetic declination.

Map metadata and publication information (continued). Includes title 'TASEKO LAKES BRITISH COLUMBIA', scale 1:250 000, authors (J.B. Mahoney, C.J. Hickson, J.W. Haggart, P. Schiarizza, P.B. Read, R.J. Enkin, P. van der Heyden, and S. Israel), geological compilation by P. Schiarizza, J.B. Mahoney, and C.J. Hickson, review by G.J. Woodworth, cartography by C.L. Wagner, Geological Survey of Canada, Pacific Division, and various technical details like datum, projection, and magnetic declination.
