

# GSC - Base Symbols

| Line Features | Area Features   | Point Features |   |  |
|---------------|---|----------------|---|--|
|               | Shoreline - definite (1.01.01.006)  |                | Falls (1.01.01.013)   |  |
|               | Shoreline - indefinite (1.01.01.007)  |                | Rapids (1.01.01.014)  |  |
|               | Watercourse - definite (1.01.01.008)  |                | Disappearing stream (1.01.01.015)   |  |
|               | Watercourse - indefinite (1.01.01.009)  |                | Rock (1.01.01.016)  |  |
|               | Rapids (1.01.01.010)  |                | Exposed shipwreck (1.01.01.017)   |  |
|               | Falls (1.01.01.011)   |                | Hydrographic obstacle (1.01.01.018)   |  |
|               | Ford (1.01.01.012)  |                | Marina (1.01.01.019)  |  |
|               | Contour - index - defined (1.02.01.002)   |                | Elevation point (1.02.01.011)   |  |
|               | Contour - index - approximate (1.02.01.003)   |                | Building - small (1.03.01.023)  |  |
|               | Contour - intermediate - defined (1.02.01.004)  |                | Mine; pit; quarry; extraction zone (1.03.01.024)  |  |
|               | Contour - intermediate - approximate (1.02.01.005)  |                | Dam; fish ladder; lock gate (1.03.01.025)   |  |
|               | Contour - depression index - defined (1.02.01.006)  |                | Industrial and commercial area; industrial solid depot; gas and oil facility; transformer station (1.03.01.026) |  |
|               | Contour - depression index - approximate (1.02.01.007)                                    |                | Navigational aid (1.03.01.027)  |  |
|               | Contour - depression intermediate - defined (1.02.01.008)                                 |                | Airport; heliport (1.03.01.028)   |  |
|               | Contour - depression intermediate - approximate (1.02.01.009)                             |                | Tower (1.03.01.029)   |  |
|               | Esker (1.02.01.010)   |                | Well (1.03.01.030)  |  |
|               | Transmission line (1.03.01.004)   |                |   |  |
|               | Ferry (1.03.01.005)   |                |   |  |
|               | Trail (1.03.01.006)   |                |   |  |
|               | Railway - single track (1.03.01.007)  |                |   |  |
|               | Railway - multi-track (1.03.01.008)   |                |   |  |
|               | Railway - non-operational (1.03.01.009)   |                |   |  |
|               | Road - hard surface - > 2 lanes (1.03.01.010)   |                |   |  |
|               | Road - hard surface - 2 lanes (1.03.01.011)   |                |   |  |
|               | Road - hard surface - < 2 lanes (1.03.01.012)   |                |   |  |
|               | Road - loose surface (1.03.01.013)  |                |   |  |
|               | Road - limited use (1.03.01.014)  |                |   |  |
|               | Bridge - hard surface - > 2 lanes (1.03.01.015)   |                |   |  |
|               | Bridge - hard surface - 2 lanes (1.03.01.016)   |                |   |  |
|               | Bridge - hard surface - < 2 lanes (1.03.01.017)   |                |   |  |
|               | Bridge - loose surface, vehicle track (1.03.01.018)                                       |                |   |  |
|               | Tunnel (1.03.01.019)  |                |   |  |
|               | Pipeline (1.03.01.020)  |                |   |  |
|               | Wharf; dock; slip; lock (1.03.01.021)   |                |   |  |
|               | Dam; dike/levee; breakwater (1.03.01.022)   |                |   |  |
|               | International boundary (1.03.01.034)  |                |   |  |
|               | Provincial/Territorial boundary (1.03.01.035)   |                |   |  |
|               | Other boundary - National park, Provincial park, Reservation, Economic zone (1.03.01.036) |                |   |  |
|               | Bridge - railway - single track (1.03.01.037)   |                |   |  |
