EXPO '67

List Of Specimens On Display In Geology Court, Canadian Pavilion,

- 1 JASPER CONGLOMERATE, Algoma District, Ontario. Collected by Geological Survey of Canada.
- 2 JASPER CONGLOMERATE, Algoma District, Ontario. Collected by Geological Survey of Canada.
- 3 AMYGDALOIDAL TRAP, Algoma District, Ontario. Collected by Geological Survey of Canada.
- 4 KYANITE-GARNET GNEISS, Sudbury District, Ontario. Collected by Geological Survey of Canada.
- 5 ANORTHOSITE, Nipissing District, Ontario. Presented by Stonefields Industrial Minerals Limited, River Valley, Ontario.
- 6 JASPILITE, Nipissing District, Ontario. Presented by North American Rare Metals, Eagle Lake, Ontario.
- 7 GARNET SCHIST, Nipissing District, Ontario. Presented by Industrial Garnet Company Limited, River Valley, Ontario.
- 8 FELDSPAR PORPHYRY, Temiscaming County, Ontario. Collected by Geological Survey of Canada.
- 9 GABBRO, Temiscamingue County, Quebec. Collected at Giguere Quarry by Geological Survey of Canada.
- 10 TUFF, Abitibi County, Quebec. Collected by Geological Survey of Canada.
- 11 GREYWACKE, Abitibi County, Quebec. Collected by Geological Survey of Canada.
- 12 CHLORITE SCHIST, Lanark County, Ontario. Collected by Geological Survey of Canada.
- 13 RHYOLITE, Hastings County, Ontario. Collected by Geological Survey of Canada.
- 14 STRETCHED-PEBBLE CONGLOMERATE, Lennox-Addington County, Ontario. Collected by Geological Survey of Canada.
- 15 SLATE, Hastings County, Ontario. Collected by Geological Survey of Canada.
- 16 BIOTITE GNEISS, Labelle County, Quebec. Presented by Provincial Brick and Stone Incorporated, Dorion-Vaudreuil, Quebec.

- 17 ROSE QUARTZ, Renfrew County, Ontario. Collected by Geological Survey of Canada.
- 18 AMPHIBOLITE, Pontiac County, Quebec. Collected by Geological Survey of Canada.
- 19 CRYSTALLINE DOLOMITE, Pontiac County, Quebec. Presented by Canadian Dolomite Company, Portage du Fort, Quebec.
- 20 DOLOMITE, Papineau County, Quebec. Collected at Lachman Quarry by Geological Survey of Canada.
- 21 QUARTZ, Gatineau County, Quebec. Collected at Lachaine Quarry by Geological Survey of Canada.
- 22 TOURMALINE (black) in FELDSPAR, Papineau County, Quebec. Collected by Geological Survey of Canada.
- 23 LIMESTONE, Gatineau County, Quebec. Presented by Canada Cement Company Limited, Montreal, Quebec.
- 24 CALCITE, Gatineau County, Quebec. Collected at Nienhay Quarry by Geological Survey of Canada.
- 25 DIORITE, Papineau County, Quebec. Collected by Geological Survey of Canada.
- 26 SANDSTONE, Rimouski County, Quebec. Presented by Les Ciments Decoratifs Enr., Trois-Pistoles, Quebec.
- 27 SHELL LIMESTONE, Richmond County, Nova Scotia. Presented by Nova Scotia Limestone Quarry, Irish Cove, Nova Scotia.
- 28 ANDALUSITE SCHIST, Guysborough, Nova Scotia. Collected by Geological Survey of Canada.
- 29 AMYGDALOIDAL TRAP, King's County, Nova Scotia. Collected by Geological Survey of Canada.
- 30 GRANITE, Charlotte County, New Brunswick. Collected by Geological Survey of Canada.
- 31 PERIDOTITE, Megantic County, Quebec. Collected by Geological Survey of Canada.
- 32 SERPENTINE, Megantic County, Quebec. Collected by Geological Survey of Canada.
- 33 PYROXENITE, Richmond County, Quebec. Collected by Geological Survey of Canada.

- 34 SLATE, Richmond County, Quebec. Presented by Rockland Slate Quarry, Kingsbury, Quebec.
- 35 HEMATITE (fossil-bearing), Annapolis County, Nova Scotia. Collected by Geological Survey of Canada.
- 36 SLATE, Bagot County, Quebec. Collected at Girard Quarry by Geological Survey of Canada.
- 37 FOSSILIFEROUS SHALY LIMESTONE, Carleton County, Ontario. Presented by National Capital Commission, Ottawa, Ontario.
- 38 ANDESITE, Temiscamingue County, Quebec. Collected by Geological Survey of Canada.
- 39 ARKOSE, Temiscaming County, Ontario. Collected by Geological Survey of Canada.
- 40 CONGLOMERATE, Temiscaming County, Ontario. Collected by Geological Survey of Canada.
- 41 SANDSTONE, Carleton County, Ontario. Presented by McMillan Sandstone Quarries, Bell's Corners, Ontario.
- 42 SODALITE, Hastings County, Ontario. Presented by Princess Marble Mine, Bancroft, Ontario.
- 43 TALC, Hastings County, Ontario. Presented by Canada Talc Industries Limited, Madoc, Ontario.
- 44 PERLITE, Skeena District, British Columbia. Collected by Geological Survey of Canada.
- 45 POTASH ORE, Saskatoon, Saskatchewan. Presented by Potash Company of America, Saskatoon, Saskatchewan.
- 46 ASBESTOS ORE, Richmond County, Quebec. Presented by Canadian Johns-Manville Company, Asbestos, Quebec.
- 47 CALCITE, Gatineau County, Quebec. Presented by Aluminum Company of Canada Limited, Montreal, P.Q.
- 48 MARBLE, Lanark County, Ontario. Presented by Angelstone Limited, Preston, Ontario.
- 49 LIMESTONE, Welland County, Ontario. Presented by Queenston Quarries Limited, Niagara Falls, Ontario.
- 50 MARBLE, Lanark County, Ontario. Presented by Angelstone Limited, Preston, Ontario.
- 51 IRON ORE (magnetite), Pontiac County, Quebec. Presented by Hilton Mines Limited, Shawville, P.Q.

- 52 BRUCITIC LIMESTONE, Gatineau County, Quebec. Presented by Aluminum Company of Canada Limited, Montreal, Quebec.
- 53 QUARTZ, Gatineau County, Quebec. Presented by Baskatong Quartz Mine Limited, Baskatong Lake, Quebec.
- 54 GOLD ORE, Yellowknife, Northwest Territories. Presented by Giant Yellowknife Mines Limited, Toronto, Ontario.
- 55 GRANITE, Temiscamingue County, Quebec. Presented by Janal Incorpore, Ville Marie, Quebec.
- 56 SALT (halite), Huron County, Ontario. Presented by Domtar Chemicals Limited, Montreal, Quebec.
- 57 NICKEL ORE (nickeliferous pyrrhotite), Sudbury District, Ontario. Presented by Falconbridge Nickel Mines Limited, Toronto, Ontario.
- 58 ASBESTOS ORE, Megantic County, Quebec. Presented by Lake Asbestos of Quebec Limited, Black Lake, Quebec.
- 59 FELDSPAR (microcline), Papineau County, Quebec. Presented by International Minerals and Chemical Corporation (Canada) Limited, Toronto, Ontario.
- 60 SYENITE, Argenteuil County, Quebec. Presented by Gaboriault and Nevers, Grenville, Quebec.
- 61 COPPER-ZINC ORE, Flin Flon, Manitoba. Presented by Hudson Bay Mining and Smelting Company Limited, Winnipeg, Manitoba.
- 62 FLUORITE, District of Burin, Newfoundland. Presented by Newfoundland Fluorspar Limited, St. Lawrence, Newfoundland.
- 63 KERATOPHYRE, This erratic boulder of keratophyre was collected locally by design staff of Geology Court.
- 64 IRON ORE (specular hematite), Lac Jeannine, Quebec. Presented by Quebec Cartier Mining Company, Port Cartier, Quebec.
- 65 QUARTZ, Papineau County, Quebec. Presented by International Minerals and Chemical Corporation (Canada) Limited, Toronto, Ontario.
- 66 CRYSTALLINE DOLOMITE, Renfrew County, Ontario. Presented by Dominion Magnesium Limited, Haley, Ontario.

- 67      GRANITE, Labelle County, Quebec. Presented by Canadian  
Pink Granite Reg'd., Guenette, Quebec.
- 68      AMETHYSTINE QUARTZ, Thunder Bay District, Ontario. Pre-  
sented by Thunder Bay Amethyst Company  
Limited, Port Arthur, Ontario.
- 69      DOLOMITIC MAGNESITE, Argenteuil County, Quebec. Presented  
by Canadian Refractories Limited,  
Montreal, Quebec.
- 70      NEPHELINE SYENITE, Peterborough County, Ontario. Pre-  
sented by Indusmin Limited, Toronto,  
Ontario.
- 71      IRON ORE (siderite), Algoma District, Ontario. Pre<sup>^</sup>sented  
by The Algoma Steel Corporation Limited,  
Sault Ste. Marie, Ontario.
- 72      TITANIUM ORE (ilmenite), Saguenay County, Quebec. Pre-  
sented by Quebec Iron and Titanium  
Corporation, Sorel, Quebec.
- 73      COPPER ORE (chalcopyrite), Temiscaming County, Quebec. Pre-  
sented by Noranda Mines Limited, Toronto,  
Ontario.
- 74      LEAD-ZINC ORE (galena-sphalerite), Kootenay East District,  
British Columbia. Presented by The  
Consolidated Mining and Smelting Comp-  
any of Canada Limited, Montreal, Quebec.
- 75      MOLYBDENUM ORE (molybdenite), Skeena District, British Col-  
umbia. Presented by Endako Mines Lim-  
ited, Vancouver, British Columbia.
- 76      SANDSTONE, Deux Montagnes County, Quebec. Pre sented by  
Provincial Brick and Stone Incorporated,  
Dorion-Vaudreuil, Quebec.
- 77      COPPER-NICKEL ORE, Sudbury District, Ontario. Presented by  
The International Nickel Company of  
Canada Limited, Copper Cliff, Ontario.
- 78      IRON ORE (hematite-goethite), Saguenay County, Quebec. Pre-  
sented by Iron Ore Company of Canada,  
Sept-Iles, Quebec.
- 79      NIOBIUM ORE, Deux Montagnes County, Quebec. Presented by  
St. Lawrence Columbium and Metals  
Corportation, Oka, Quebec.
- 80      LABRADORITE (anorthosite), Tabor Island, c<sup>^</sup>ast of Labrador,  
New<sup>^</sup>foundland. Presented by British  
Newfoundland Exploration Limited, Montreal,  
Quebec.

- 81      CALCITE with APATITE (green), Gatineau County, Quebec.  
Presented by Aluminum Company of  
Canada Limited, Montreal, Quebec.
- 82      NEPHELINE SYENITE, Peterborough County, Ontario. Presented  
by International Minerals and Chemical  
Corporation (Canada) Limited, Toronto,  
Ontario.
- 83      LIMESTONE, Hochelaga County, Quebec. Presented by Canada  
Cement Company Limited, Montreal,  
Quebec.
- 84      IRON ORE (hematite), Presented by  
Iron Ore Company of Canada, Sept Iles,  
Quebec.
- 85      MARBLE, Lanark County, Ontario. Presented by Omega Marble,  
Tile and Terrazzo Limited, Scarborough,  
Ontario.
- 86      SANDSTONE, Cumberland County, Nova Scotia. Presented by  
Wallace Quarries Limited, Wallace,  
Nova Scotia.
