NOTICE OF ADDENDUM

From: *Surveyor General of Canada Lands*

Addendum 1.8

Addendum to: *National Standards for the Survey of Canada Lands (1.1)*

Object: *Chapter 2: Survey Plans*

The following herein shall constitute an official amendment to the document it refers to.

DETAIL

This Addendum is published to replace some parts of Section 2.7:

- amending paragraph 1 of Section 2.7.1 *Definition of Compiled Plan*;
- amending paragraph 5.1 of Section 2.7.3 *Plan Preparation*;
- amending paragraph 8 of Section 2.7.3 *Plan Preparation*;
- amending paragraph 14 of Section 2.7.3 *Plan Preparation*;
-

of the *National Standards for the Survey of Canada Lands (1.1)*.

These changes are necessary for surveyors, wishing to use a compiled plan, to obtain permission to do so through the Survey instructions. These changes also ensure that copied monuments are no longer shown on compiled plans.

Chapter 2: Survey Plans

...

2.7.1 Definition of Compiled Plan

1. *A compiled plan is a plan of parcels or boundaries produced using survey field note information of record in the CLSR, as well as incorporating that information shown on plans registered in a provincial or territorial Land Titles office. The compiled plan may contain additional field notes of survey.*
 - a. *If a compiled plan is being contemplated, the surveyor must clearly state this when requesting instructions and demonstrate the suitability of this product. Specific instructions will authorize this type of plan if appropriate.*

2.7.3 Plan Preparation

- 5.1. *The compiled plan body will be drafted such that **copied boundary measurements (bearing/distances) are easily distinguishable from new measurements.***
8. *If a compiled plan is to be confirmed, it must have been fully monumented.*
14. ***Do not show monuments on the plan for the compiled portion of the plan unless requested by the specific instructions or Land Registry.***

This Addendum will come into force on the date of its publication on NRCan's Website.
