

Table 2. Site list for marine- and terrestrial-related locations.

Site number	Easting	Northing	Elevation (m)	Marine features	Terrestrial features
3	439755	7521236	255	Glacio-marine delta	
9	421394	749530	152	Marine silt and clay; shell lag/colluvium	
16	439832	7517969	247	Nearshore sediments	
19	438077	7552784	52	Ice-pushed beach ridges	
20	421865	7537460	250	Glacio-marine delta	
24	441110	7522111	168		Ice-movement indicators associated with site 25 till fabric
25	441100	7522082	~168*		Basal till fabric at ~30m depth

*Due to close proximity, elevation at site 25 is estimated to be similar to site 24. *From* McMartin et al., 2003.
