

**AREAS OF PRINCIPAL SOIL GROUPS AND THEIR DISTRIBUTION BY PROVINCES AND TERRITORIES**

|              |                       |                  |
|--------------|-----------------------|------------------|
| NEWFOUNDLAND | NOVA SCOTIA           | NEW BRUNSWICK    |
| QUEBEC       | ONTARIO               | MANITOBA         |
| SASKATCHEWAN | ALBERTA               | BRITISH COLUMBIA |
| YUKON        | NORTHWEST TERRITORIES |                  |

The Provincial or Territorial distribution is not shown unless the principal soil group covers more than 1500 square miles of the political unit.

|   |  |                       |                                    |
|---|--|-----------------------|------------------------------------|
| <b>BROWN SOILS</b>  | Brown soils.   | <b>PEAT</b>           | Peat.                              |
| <b>DARK BROWN SOILS</b>   | Dark brown soils.  | <b>ROCK OUTCROPS</b>  | Rock outcrops.                     |
| <b>BLACK SOILS</b>  | Black soils.   | <b>MOUNTAIN SOILS</b> | Mountain soils (undifferentiated). |
| <b>DEGRADED BLACK SOILS</b>   | Degraded black soils.  | <b>TUNDRA SOILS</b>   | Tundra soils.                      |
| <b>GREY WOODS SOILS</b>   | Grey wooded soils.   |                       |                                    |
| <b>BROWN PODZOLIC SOILS</b>   | Brown podzolic soils.  |                       |                                    |
| <b>BROWN FOREST SOILS</b>   | Brown forest soils.  |                       |                                    |
| <b>BROWN WOODS SOILS</b>  | Brown wooded soils.  |                       |                                    |
| <b>DARK GREY GLEISOLIC SOILS</b>  | Dark grey gleisolic soils.   |                       |                                    |
| <b>PODZOLIC SOILS</b>   | Podzolic soils.  |                       |                                    |
| <b>ALLUVIAL SOILS</b>   | Alluvial soils.  |                       |                                    |
| <b>DEGRADED BLACK SOILS WITH GREY WOODS SOILS AND PEAT</b>  | Degraded black soils with grey wooded soils and peat.  |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS</b>  | Grey wooded soils with dark grey gleisolic soils.  |                       |                                    |
| <b>GREY WOODS SOILS WITH PEAT</b>   | Grey wooded soils with peat.   |                       |                                    |
| <b>GREY WOODS SOILS WITH PODZOLIC SOILS AND ROCK OUTCROPS</b>   | Grey wooded soils with podzolic soils and rock outcrops.   |                       |                                    |
| <b>GREY WOODS SOILS WITH BROWN PODZOLIC SOILS</b>   | Grey wooded soils with brown podzolic soils.   |                       |                                    |
| <b>GREY WOODS SOILS WITH BROWN PODZOLIC SOILS AND PEAT</b>  | Grey wooded soils with brown podzolic soils and peat.  |                       |                                    |
| <b>GREY WOODS SOILS WITH BROWN PODZOLIC SOILS AND ROCK OUTCROPS</b>   | Grey wooded soils with brown podzolic soils and rock outcrops.   |                       |                                    |
| <b>GREY WOODS SOILS WITH BROWN PODZOLIC SOILS AND PEAT AND GREY WOODS SOILS</b>   | Grey wooded soils with brown podzolic soils and peat and grey wooded soils.  |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT</b>   | Grey wooded soils with dark grey gleisolic soils and peat.   |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND ROCK OUTCROPS</b>  | Grey wooded soils with dark grey gleisolic soils and rock outcrops.  |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT AND ROCK OUTCROPS</b>   | Grey wooded soils with dark grey gleisolic soils and peat and rock outcrops.   |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT AND BROWN PODZOLIC SOILS</b>  | Grey wooded soils with dark grey gleisolic soils and peat and brown podzolic soils.  |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT AND BROWN PODZOLIC SOILS AND ROCK OUTCROPS</b>  | Grey wooded soils with dark grey gleisolic soils and peat and brown podzolic soils and rock outcrops.  |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT AND BROWN PODZOLIC SOILS AND ROCK OUTCROPS AND PEAT</b>   | Grey wooded soils with dark grey gleisolic soils and peat and brown podzolic soils and rock outcrops and peat.   |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT AND BROWN PODZOLIC SOILS AND ROCK OUTCROPS AND PEAT AND GREY WOODS SOILS</b>  | Grey wooded soils with dark grey gleisolic soils and peat and brown podzolic soils and rock outcrops and peat and grey wooded soils.   |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT AND BROWN PODZOLIC SOILS AND ROCK OUTCROPS AND PEAT AND GREY WOODS SOILS AND BROWN PODZOLIC SOILS</b>   | Grey wooded soils with dark grey gleisolic soils and peat and brown podzolic soils and rock outcrops and peat and grey wooded soils and brown podzolic soils.  |                       |                                    |
| <b>GREY WOODS SOILS WITH DARK GREY GLEISOLIC SOILS AND PEAT AND BROWN PODZOLIC SOILS AND ROCK OUTCROPS AND PEAT AND GREY WOODS SOILS AND BROWN PODZOLIC SOILS AND ROCK OUTCROPS AND PEAT AND GREY WOODS SOILS</b> | Grey wooded soils with dark grey gleisolic soils and peat and brown podzolic soils and rock outcrops and peat and grey wooded soils and brown podzolic soils and rock outcrops and peat and grey wooded soils. |                       |                                    |
