SETTLEMENT PATTERN 1981

- 50 — 249 persons
- 250 — 749 persons
- 750 — 2 499 persons
- 2 500 persons or more

This map shows the overall pattern of Canada's settlements. Each symbol represents a specific populated place as recorded in the 1981 Census of Canada. For those areas where the map scale did not permit the depiction of all places (particularly in Atlantic Canada and the southern parts of Ontario and Quebec), only the largest places are shown. Places with less than 50 persons are shown only in the Yukon and Northwest Territories.
