**Marital Status, 2001 — Married**  
 (by census division)

Marital status refers to a person's conjugal status. As of May 15, 2001, Canada had 8,371,000 families, up from almost 7,838,000 in 1996. Married couples accounted for 70% of all families in 2001, down from 83% in 1981.
