

The Digital topographic raster maps - ARCHIVED include the CanMatrix – Georeferenced, CanMatrix – Print Ready and CanTopo collections.

The Digital topographic raster maps - ARCHIVED is available on the following FTP site:

http://ftp.geogratis.gc.ca/pub/nrcan_rncan/raster/topographic/

These is the former FTP addresses where older collections were available:

CanMatrix – Georeferenced

http://ftp.geogratis.gc.ca/pub/nrcan_rncan/raster/canmatrix/

Available format: GEOTIFF

CanMatrix – Print Ready

http://ftp.geogratis.gc.ca/pub/nrcan_rncan/raster/canmatrix2/

Available formats: TIF et PDF

CanTopo

http://ftp.geogratis.gc.ca/pub/nrcan_rncan/raster/cantopo/

Available formats: TIF, PDF, GEOTIFF and GEOPDF

The CanTopo product is always the more recent edition of the map.

You only have to look at one place to see the list of topographic map editions available.

Example of file nomenclature 011E03:

http://ftp.geogratis.gc.ca/pub/nrcan_rncan/raster/topographic/50k/011/e/03/

In the folder, you will find:

[011e03_0501_cantopo_tif.zip](#) – CanTopo product in format TIF – 5th Edition, version 1

[011e03_0501_cantopo_pdf.zip](#) - CanTopo product in format PDF – 5th Edition, version 1

[011e03_0501_cantopo_geotiff.zip](#) - CanTopo product in format GEOTIF - 5th Edition, version 1

[011e03_0501_cantopo_geopdf.zip](#) - CanTopo product in format GEOPDF - 5th Edition, version 1

[011e03_0400_canmatrix_prttif.zip](#) - CanMatrix product – Print ready in format TIFF - 4th Edition, version 0

[011e03_0400_canmatrix_prtpdf.zip](#) - CanMatrix product – Print ready in format PDF - 4th Edition, version 0

[011e03_0400_canmatrix_geotiff.zip](#) - CanMatrix product – Georeferenced in format TIFF - 4th Edition, version 0

The most recent map is edition 05, version 01 for the CanTopo product.

The catalogue, the product specifications and the legend for each product are in the [doc](#) folder.
