OFFICE OF GEOGRAPHER

Ottawa, ..... AUG 22 1905

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,  
*Geographer.*

Astleyville

Aug 30/05

Astleyville:

Named after Henry Astley, Farmer  
Still alive. Left this locality  
last February and is now residing  
in Edmonton

This Locality has long been known  
as Sturgeon Valley, The valley starting  
from the banks of the Sturgeon River  
but when we first got a post office

Mr Astley was Postmaster and the name  
was not filled in <sup>at the time</sup> the petition which  
was circulated among the residents to  
get a post office. Consequently Mr Astley  
filled it in afterwards by the name  
of Astleyville, after himself.

A Petition is now being sent to the

Post Master General to have it changed  
to Sturgeon Valley or <sup>Sturgeon</sup> Bridge

Hoping the above remarks are  
sufficient for your information

I am yours Very Truly,

Joseph McLean  
Postmaster
