Hortouburg Apr 3/09

Mr James White

Ottawa

Dear Sir

In reply to yours of the 24th I beg to say that it is now nearly a year since this post office was established. For 5 or 6 years prior to last April it was called Hortonville but as there was already a post office in Canada by that name the department named it Hortouburg as suggested by the petitioners. ~~It~~ is called after me owing to the fact that I started a general store here about eight years ago.

yours truly

W. Horton
