The Post Office
New Sarepta, Alta.

Dear Sir. In answer to yours of Feby 22nd.

New Sarepta is not a Town, Village &c -
just a new district formed, better & formerly
known, as Little Bay Lakes, is named after

Sarepta, a city of Sidon, found in St Luke's
Gospel, chap 4 - Verse 26, being a duplicate in
Ont, placed the prefix New, making it New Sarepta
I believe the former name Little Bay Lakes.
was given by the Indians, on account of
being so many small Lakes. & noted for the
tall grass or hay

There is no other particular feature,

Yours Truly -
