Department of the Interior

CHIEF GEOGRAPHER

Ottawa, March 24th, 1909.

Postmaster,

Siebertville,
Alta.

Dear Sir:-

Will you kindly inform me whether your post office is named after yourself?

Thanking you in advance for your courtesy,

Yours truly,

Siebertville
Calgary Alta.

James White,
Chief Geographer.

Per. *M.W.C.*

Post office was named after school and churches here which derived their name from the settlement there being 5 families with name of Siebert and a good many of other residents are related to them such as brother in laws etc.

Yours truly
Lev Siebert
