Dear Sir:-

Will you kindly inform me whether your post office is named after yourself?

Thanking you in advance for your courtesy,

Yours truly,

Chief Geographer.

Per. *R.W.E.*

Yes, the C.P.R. named it this and when it was made a regular r.R.

Station and they had their Tickets made or printed and all of their Freight tariffs made out in this name they did not care to change same, so when Mr Greenleaf the P.O. Inspector was in Nelson and the Name Came up he said that it was best to leave it this name as it would conflict with C.P.R..

yours Respectfully

Yes, the U.P.R. named it this and when it was made a regular P.O. Station and they had their fixtures made or printed and all of their letter heads made out in this name they did not care in either case, so when Mr Greenfield the P.O. Inspector was in Nelson and the name came up he said that it was best to leave it this name as it would conflict with U.P.R. yours Respectfully
