PIPER SIDING

Dear Sir, In reply to the above, would say that this is nearly correct if not quite correct, I am part owner of a sawmill here, the "Piper Trading & Lumber Co. Ltd.", which has a spur running into the main line of Great Northern Ry, my parents & myself owning most of the stock, we decided to name this point "Piper Siding" B.C. (over)

So I suppose you can say that it is named after
myself, I may say that it is situated about
7 miles from Vancouver B.C. on the North
shore of Burnaby Lake in the Municipality
of Burnaby, write again if you need
any further particulars

Yours truly

C. J. Piper,
