OFFICE OF GEOGRAPHER

Ottawa, AUG 18 1905

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,
Geographer.

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

"Port Hammond" Ack'd
New Westminster B.C. Dist.

Post Hammond B.C.
Aug 24/05

Sir, I take great pleasure in replying to accompanying Circular & to that extent assisting in what, if it may be pardoned for saying so, is a most excellent idea.

I have just interviewed Mr John Hammond and he gives me the following particulars

The village is named after brothers William and John Hammond, the former "C.B." & latter a farmer. Mr William Hammond died about the year 1892, Mr John Hammond still lives.

Both lived here at one time, though the former moved to Victoria to practice his profession, the latter has lived here constantly.

The property on which the Townsite stands, belonged as Crown grant to the brothers & as it was for some time the terminus of the C.P.R. and ^{all C.P.R.} shipping was done between the point, New Westminster and Victoria, the word "Post" was added to the name. They were amongst, if not the, first white settlers & before the Townsite was laid out the place was known as "Hammonds Landing": as far as Mr Hammond knows, the place had no name when they came here

Should I not have covered the ground sufficiently I shall be only too pleased to go into it further if you will kindly furnish a memo of points you wish covered.

I am Sir

Yours faithfully
A. B. Lazrus
