## OFFICE OF GEOGRAPHER

Ottawa, ..... AUG 19 1905 .....

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,  
*Geographer.*

"Vernon" Ark.

Rlo Yale & Cariboo Dist.

1. Named after the Hon James George Vernon, <sup>of</sup> Provincial Commissioner of Lands & Works, and formerly owner of the Coldstream Ranch now the property of Lord Aberdeen. Mr. Vernon is still alive and a resident of Victoria B.C. He formerly resided on his ranch here, being one of the early settlers of this valley.

2. The place was first known as Priests valley from being the residence of the R.C. missionaries who came here about the year 59 or 60. - sometime in the eighties Amos Deslauriers divided a part of his farm into acre lots and called the place Centreville from its situation between Swan Lake, Long Lake, and Okanagan Lake. It soon however became known as Vernon, and in 90. The Okanagan Land and Development Co. purchased the remainder of Deslauriers property, and others adjoining, and subdivided into City lots, retaining the name of Vernon by which it was already generally known.
