

Department of the Interior,

OFFICE OF GEOGRAPHER,

Ottawa, FEB 20 1906

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or who have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,

Geographer.

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

✓ Woodward
New Westminster

Woodward British Columbia

March 6th 1906

This place was named after a man that lives right across the road from this post office.

His name is Daniel Woodward he has been living here for quite a number of years. he is a farmer.

Woodward is situated on Lulu Island on the bank of the Fraser river is a beautiful farming country.

So far as I am aware this place never had any other name. Of course this office has only been opened about two years ago.

We expect in the near future to have a store started here we have a wharf and a good steam boat landing the boats call at this wharf mostly every day and some times two and three times a day.

The farmers here have started a telephone system we have the poles erected now, and expect in two or three days to have the wire on. Your W. M. McKensie post master
