

Hillview, Man.

Hillview is not a village, It <sup>(The P.O.)</sup> is in a farm house on the SE 1/4 9. 11. 23, with

Originally it was kept by Mr W<sup>m</sup> Rothwell on SE. 1. 11. 23. and was, I presume, named by him, I have kept <sup>it</sup> for 11 years

As you no doubt sent a similar communication to each Postmaster, it is unnecessary for me to describe the villages several miles north of us, or Griswold, & Oak Lake to the south, I believe the locality had something to do with the name, as Hillview no 1, was on rather high ground, & commanded a good view of the district
