## OFFICE OF GEOGRAPHER

Ottawa, ..... AUG 28 1905 .....

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,  
*Geographer.*

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

"Lillyfield"

Man.

Lillyfield Sept 6<sup>th</sup> / 05-

Dear Sir,

The name Lillyfield was given to this district in 1853 by the School Trustees when they first organized a school here on account of the great quantities of oranges Lilly's that grow around here.

The P.O. department have put two L.'s in Lillyfield there ought only to be one, how they got them I don't know.

This district used to be known & is still often called Centre or Middle Bluff on account of it's being half way between Stonevale & Winnipeg.

Yours Truly

John W. Phipps  
P.M.

P.S. The names of the School Trustees who gave the name Lillyfield to this district were Rev. James Lawrence, Henry Field & Henry Foulas. Henry Field is dead the other two still reside here.
