Dear Sir:-

Received your letter,
inquiring if our Post-Office
was named after me.

No it is not. It was named
after the family that kept the
P. Office before I did, - they have
gone to live in United States.

The name of this place is
East Harbor-au-Bouche, and
it is the desire of the people
that the Post Office should be
East Harbor-au-Bouche.

Bellevue,
Antigonish
