Broad Cove Chapel
N. S. Sept. 19. 08

Dear Sir:—

This place is named after a natural feature of the place. There is here a wide cove. The distance from point to point is about five miles. In the district abutting this Cove there was but one Church or Chapel, The name "Broad Cove Chapel" came to be applied to the district, This was the first name of the place,

Yours Truly,

A. R. McDonald,

Postmaster
