Dear Sir:-

Your esteemed favor of the 28th ult. is to hand.

As Superintendent of the Davison Lumber Co., Ltd. I supervised the construction of our Railway and establishing the general offices and head quarters for our Railway and Woods Operations, which necessitated the construction of a number of houses, Machine Shop, Carpenter's Shop, Round Houses, General Store and Offices, and also establishing a Post Office here. By the wishes of our Company the office was named after me.

Yours very truly,

J. W. Cross
Supt.
