Denmore Mills

Dear Sir,-

Hants

When this Post-Office was first opened, for
it was named
the Mills directly opposite the P.O. building, which
were owned by the Denismore Brothers. The Post Master's
name was also Denismore, but were in no way related.
The Mills and also the Post Master have each been
removed some time since. I have been in Office two
years last month. Yours truly, Noble Hines. P.M.
