Lardoise Highlands 78/05
N.S.

Mr James White
Geographer
Ottawa

Sir-

I have received your letter
desiring information respecting the derivation of
the name of this place.

I regret that I cannot give more on this subject,
but it is impossible for me to do so.

Lardoise Highlands P. O. was opened July, '04,
until then it was called Lower L'Ardoise.

When the New Office was opened it was called
L'Ardoise Highlands, being a continuance
of L'Ardoise & L. Lardoise and having a
vast amount of Hills or Highlands, some
higher than the surrounding places for miles
around, so it was called L'Ardoise Highlands.

Regretting that I cannot give
a better statement I am

Truly Yours

Richard M. Osterro
