# Department of the Interior,

## OFFICE OF GEOGRAPHER,

Ottawa, MAR 13 1908

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or who have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,  
*Geographer.*

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

*McPherson*

Macpherson, Ant. Co., Wis.  
Mar. 20/06

Mr James White,  
Ottawa.

With reference ~~to~~ <sup>to</sup> name  
"McPherson", will say, it is a country postal  
district and received this name twenty one  
years ago, near April, when the post office  
had first established here by that name.

A man named Angus McPherson, who <sup>1885</sup>  
emigrated to this country from Scotland early  
in the last century, settled here. His  
family remained at and around the  
old home. One son is still living,

at the age of ninety one years and in  
his house the post office is kept,  
the latter's son, Angus McPherson, being  
Post Master. This accounts for  
the name "McPherson".

It is one of a number of post offices  
along a stretch of country called the  
South River - from a stream by that name,  
issuing from a sheet of water called the  
South River Lake and emptying in Antigo-  
west Harbor.

Yours very respectfully,

A. McPherson  
Post Master.
