McPherson's Mills N.S.

Oct. 5 1905

James White
Dear Sir:-

McPherson's Mills takes its name from Tom McPherson, miller; he is still living, but his mills have fallen into disuse, except the grist mill in which he grinds a little for his immediate friends.

At one time this place was called Sutherlands' Mills, named from Sutherlands' River on which the mills are situated. It was changed to its present name about the year 1888.

Yours respectfully
D. Holmes, P.M.
