# Department of the Interior,

OFFICE OF GEOGRAPHER,

Ottawa, MAR 30 1906

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or who have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,  
*Geographer.*

*Brinsley*

Middlesex Co. Ont.

The name Brinsley has no local significance  
so far as I know, and was given by the  
Post-Office Dept about 42 or 43 years ago.  
At that time the place was called "Maclin's  
corners" after J<sup>m</sup> Maclin general merchant  
who left this locality about 40 years ago.  
He was in business in the City of London  
afterward and is no doubt dead

At an earlier date the place was called "Bennett's  
corners" after John Bennett merchant, who  
moved away to the United States I believe  
perhaps 45 years ago.

Still earlier the place was called Bisbey's  
corners after James Bisbey merchant and  
who ~~resided~~ came here about 55 years ago and  
remained probably 5 or 6 years

I in the year 1850 this locality was nearly  
all woods. ~~of~~ A few pioneers had settled  
here about 3 years earlier
