

Carsonby

Ont.

Oct 7th 1905

Dear Sir:

In answer to your first question I don't know of anything that would be of any benefit to you.

The place (Carsonby) is supposed to be named after a number of families by the name of "Carson" "North Lower" the township in which Carsonby is situated ~~is~~ derived its name from its shape (Gower) its angular shape fronting the Rideau River.

Concerning the other questions, I could not give any information which would be of any service to you.

Yours,

P. M.
