

314/6

Department of the Interior

OFFICE OF GEOGRAPHER

Ottawa, OCT 3 1905

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,
Geographer.

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

Ingle
Lennox Co *Out*

No (1) No.

No (2) The former name, "Baldwin P.O.",
from about 1840 to 1888, possibly from
a James Baldwin former resident
now living in Napane who married a
sister of the oldest settler here who still
lives on the old Homestead, a son of
the Captain Fred York of the Light Horse
who patrolled the York road from
Kingston to Toronto in war of
1812. Descended from the U.S. Cavalry.

We have his old musket & star from his
cap. handed down to his great grandson
Fred York who resides on same Homestead.

No (3) From 1888 to 1894 no P.O.
when "Ingle" the present

It was opened or reopened under
present name meaning (foreside)
taken from "ingle wook" in Cottier's
Saturday Night. Our farm was
called "Ingle side" but there being a P.O. of that
name we drop "side".

There is a range of hills running through here
called Camden Ridge on which fossil remains
are plainly discernable. The creek running
through called "Zonawanta", an Indian name
I must say I have not
taken up too much time.

I remain,

Sir,

Your obedient servant

C. S. York, P. M.
