Department of the Interior,

OFFICE OF GEOGRAPHER,

Ottawa, MAR 26 1906

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or who have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,
Geographer.

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

Livingstone Creek

Algoma Dist. Ont.

Livingstone Creek July 25th 1906

There is no town or village here but a settlement of farmers, about six miles from the town of Thessalon, east.

When the country was quite new & sparsely settled, there was a man named Livingstone sailing along the lake shore, in a sail-boat and got wrecked by running unto a sandbar at the mouth of a creek which runs through this settlement. The creek afterwards was called 'Livingstone Creek' & the settlement in the immediate vicinity also going by that name. The Post Office here was opened under same name.

We have a Church, & schoolhouse here & prospects of a railway station on the C. P. R. which runs through here. We are on Lake Huron shore.

Yours truly Angus McRiggan P. M.
