## OFFICE OF GEOGRAPHER

Ottawa, ..... OCT 19 1905 .....

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,  
*Geographer.*

Mr. White

Dear Sir

In reply to your letter dated Oct-19<sup>th</sup> regarding information of the origin of Olivet - P.O. I would say. My wife and I came here with two small children 40 years ago on the 1<sup>st</sup> of Nov, when this farm was all a bush, having to clear a place for a house, then after some years and with help from neighbors we erected a little church on the corner of our farm and as my brothers maiden name was Oliver we named the church Olivet, then in 1886 we went around with a petition and got the P.O. started and named it Olivet after the church. Mr. J. Hicks a neighbor about  $\frac{1}{2}$  a mile from here kept it the first year, then wishing to give it up we took it and are still keeping it.

Hoping this will be satisfactory information

I remain yours truly

John Tremain P. M.
